Readily exploited, imposed on, or tricked: an easy mark; an easy victim.9. a. Not hurried or forced; moderate: an easy pace; an easy walk around the block.b. Light; gentle: an easy tap on the shoulder.10. Not steep or abrupt; gradual: an easy climb.11. Economics a. Less in demand and therefore readily obtainable: Commodities are easier this quarter.b. Plentiful and therefore at low interest rates: easy money.adv.1. Without haste or agitation: Relax and take it easy for a while.2. With little effort; easily: success that came too easy.3. In a restrained or moderate manner: Go easy on the butter.4. Without much hardship or cost: got off easy with only a small fine.Idiom: easy as pie Informal Capable of being accomplished or done with no difficulty.[Middle English esi, from Old French aaisie, past participle of aaisier, to put at ease : a-, to (from Latin ad-, ad-) + aise, ease; see ease.]Synonyms: easy, simple, facile, effortless These adjectives mean requiring little effort or posing little if any difficulty. Easy applies to tasks that require little effort: a recipe that is easy to prepare; an easy hike around the lake. Simple implies a lack of complexity that facilitates understanding or performance: instructions that are simple to follow; a simple problem that took little time to fix. Facile stresses fluency stemming from preparation: the author's facile use of literary conventions. Often, though, the word implies glibness or insincerity, superficiality, or lack of care: a supervisor's facile dismissal of an employee suggestion. Effortless refers to performance in which the application of great strength or skill makes the execution seem easy: wrote effortless prose. Link to this page: The third, to conduct my thoughts in such order that, by commencing with objects the simplest and easiest to know, I might ascend by little and little, and, as it were, step by step, to the knowledge of the more complex; assigning in thought a certain order even to those objects which in their own nature do not stand in a relation of antecedence and sequence.So they looked for the place where it would be easiest to get into the forest.In the center, where Tushin's battery stood and from which Prince Andrew was surveying the position, was the easiest and most direct descent and ascent to the brook separating us from Schon Grabern.It brought the east and the west together by the swiftest and easiest ways known to those times.Therefore, though the whole point of his "Current Shorthand" is that it can express every sound in the language perfectly, vowels as well as consonants, and that your hand has to make no stroke except the easy and current ones with which you write m, n, and u, l, p, and q, scribbling them at whatever angle comes easiest to you, his unfortunate determination to make this remarkable and quite legible script serve also as a Shorthand reduced it in his own practice to the most inscrutable of cryptograms.He knew very well that it is not the easiest thing in the world to bring influence to bear upon a great railway company.What Vronsky attacked first as being the easiest was his pecuniary position.After many a scene of contention between mother and daughter, many a violent outbreak which I was ashamed to witness, in which the father's authority was often called in to confirm with oaths and threats the mother's slighted prohibitions--for even HE could see that 'Tilly, though she would have made a fine lad, was not quite what a young lady ought to be'--Matilda at length found that her easiest plan was to keep clear of the forbidden regions; unless she could now and then steal a visit without her watchful mother's knowledge.It is the easiest thing in the world for a man to look as if he had a great secret in him.Our guiding principle seemed to be to get as much sunshine as possible, and to find the easiest road.We sometimes choose absolute nonsense because in our foolishness we see in that nonsense the easiest means for attaining a supposed advantage.It is, I should think, the easiest of all to manage.

**What is the easiest english class in college. English high school. English high schoolers. What is english class in high school. What english classes are required in high school. Easiest school in the world.**
