## DISTRICT 21 A

### DG Phil Whitaker

Thanks to all for making this a great year of projects! Clubs throughout 21-A are active and going forward!

Please keep in mind that we have a 21-A Facebook page. Check us out!

<https://www.facebook.com/arizonalionsdistrict21a/>

<https://www.facebook.com/LionsClubsOfArizona/>

Please let Breanne Berg of the Wickenburg Club know if you have any comments or would like to place material on the 21-A site! **She can be reached at: [BRIEANNE98042@aol.com](mailto:BRIEANNE98042@aol.com)**

We have the Mid-Year approaching on Saturday November 3<sup>rd</sup> in Prescott. We have scheduled the seminars so almost all of them will be held on Saturday, in case some may wish to attend but not stay overnight. If you stay overnight, we will have a breakfast, seminar, and our 21A District Meeting on Sunday morning. The District Meeting is a good chance to catch up, meet all other Clubs, and watch me get fined by Rachele Barrett. Please send at least one member of your Club; it is very important that we all (Districts 21 A, B, and C) come together as one State at these forums, conferences, and conventions.

Please take a look at the LCI website, found at [Lionsclubs.org](http://www.lionsclubs.org). If you meander through the website, you may find interesting items. Some of the things that can be found:

This is why we use the name LIONS: <http://www.lionsclubs.org/EN/who-we-are/mission-and-history/association-name-symbol.php>

Did you now World Diabetes Day is November 14<sup>th</sup>? <http://www.lionsclubs.org/EN/how-we-serve/health/diabetes-programs.php>

Ever wonder just how wide our reach is throughout the Globe? Here is a list: <http://>

[www.lionsclubs.org/EN/who-we-are/lions-clubs-locations.php](http://www.lionsclubs.org/EN/who-we-are/lions-clubs-locations.php)

Want to see if the website has resources to help your Club grow and succeed? Check out this page: <http://members.lionsclubs.org/EN/index.php>

The Member Center page has numerous links to material that I am sure your Club will find beneficial. Please spend a few minutes reading it!

We all know how the poor folks in Houston, Florida, and Puerto Rico are suffering from the effects of hurricanes this past month. Our charitable foundation, LCIF, is busy helping out. The website reference to LCIF is: <http://www.lcif.org/EN/>

Did you know that since 2013, LCIF has provided Arizona over \$375,000 in grants, including funds for SPOT machines, the fifth wheel trailer that travels to rural and under or unserved areas to provide vision services, and disaster relief? During that time, we have donated around \$158,000, so the net to us here in Arizona is almost double what we have donated. LCIF now needs our help to help those who have been wiped out by hurricanes. Please consider donating to LCIF, either individually or through your Club.

Please consider making a Club project helping AZMOM with the eye screening or maybe with dental care. On December 8 and 9, 2017, Lions once again will come out and help with a highly visible and tremendous community event. The Board of the Central Arizona Dental Society Foundation puts on the Mission of Mercy. <https://www.azmom.org/>

This event provides free dental work at the Coliseum in Phoenix for upwards of 2,000 homeless or less fortunate people over one weekend! Set up is December 7, and the

event runs on December 8 and 9, from 6 in the morning until 5 at the end of the day, with slots to be filled! As Lions, we provide vision screening services during this event! Donna Harris of the Overgaard Ponderosa Lions is the point person for us, as she has been for the last few years. Please contact her to get on board!

Finally, let's talk about Leadership Development. When we think of inviting people to join, or why we as members should pursue leadership roles, one significant benefit is the opportunity to grow as a leader. LCI offers leadership training and opportunities, which also are available when one helps in a Club and at the District level. These opportunities include public speaking to your own Club, public speaking other Clubs, and public speaking at conventions. They also include organizing projects at the Club level, participating in missions to orphanages, and assisting if not organizing local eye care service projects with other larger more established Clubs. If anyone is interested, mission projects take place through the Lions Club International Foundation throughout the world, in Africa, Asia, and Central and South America. This year, Arizona Clubs are taking eye care missions to Mexico, the Philippines, and Vietnam. Participating in local or international projects will provide very beneficial professional development. I encourage every member, new and long time, to use their involvement with Lions Clubs to develop leadership experience and skills.

We are having a great year!!! Thank you to everyone for your generous time, support, and care!

## Arizona Author Anne A. Wilson Speaks at Sun City Midweek Bell Lions Club

Sun City Midweek Bell Lions Club members were treated to a special guest this past week at their regular club meeting. Guest speaker was author Anne A Wilson, an Arizona author. She is also a native of Arizona and graduated from the US Naval Academy with a degree in ocean engineering. Following her graduation from Annapolis, she was a helicopter pilot. She

stated her active duty in the Navy as a pilot included three years flying search and rescue, where she specialized in high altitude technical mountain rescue. Following her discharge from the military, she decided to "try her hand" at writing. Anne told about her experiences as a pilot and stated that many of the stories in her two books came from her own military

service experiences. Her books are Hover and Clear to Lift. The club members enjoyed her presentation immensely. Pictured in the photo are on the left Author and pilot Anne A. Wilson, and Midweek Bell Lions Club President John Bliss.

## District 21A Global Service Team Food Drive for St. Mary's Food Bank

District 21A had its 1st Food drive at the 21A Kickoff in August. All members attending were asked to bring non perishable food to the kick off. Peoria Pioneer Lions and Sun City Host Lions sponsored this food drive. Lion Theresa Maresco of Peoria Pioneer Lions and 21A DG

Phil Whitaker are pictured loading food into the St. Mary's Food boxes. Lions Ron and Shirley Gerhart of Sun City Host Lions are also pictured bringing food to be donated. 827 pounds of food was loaded and delivered to the oldest food bank in the world, St. Mary's

Food Bank. Paul Yopps, 21A GST, initiated this food drive and will be initiating another food drive at the 21A District convention in Avondale, AZ slated for February 2018. Thank you to everyone for your participation in this successful food drive.

## Phoenix Midtown Lions Club Welcomes DG Phil Whitaker

President Steve Schallenberger and the Phoenix Midtown Lions Club were proud to welcome District Governor Phil Whitaker, Zone Chair Brian Woloshin, and PID Dave Roberts to their August 30<sup>th</sup> meeting. DG Phil learned about their plans to gain new members and add new service projects to their busy club. DG Phil discussed his goals for the 2017-18 Lionistic year, the importance of supporting LCIF, and had a productive round table discussion on how he could assist Phoenix Midtown over the upcoming year.

It was a great visit and Phoenix Midtown looks forward to welcoming DG Phil for future visits.

# Peoria Lions Club Service Project Pictured in the Daily News

**SERVICE - That's what we're all about!**  
 Have you noticed how filthy and dirty Union Hills Drive is from 83rd Avenue to 91st Avenue? NO? Well, that is because Peoria Pioneer Lions club members get together cleaning up that area of its trash and litter. Peoria Pioneer

Lions Club has been working with MCDOT in their Adopt-a-Highway program to clean the mile stretch of Union Hills. This is a simple and easy service project which the club completes 4 times a year. With several hands to help, it doesn't take long to clean this "filthy" stretch

of road. This SERVICE project is one of the many service projects the club entertains to give back to the city of Peoria and Maricopa County. The Peoria Pioneer Lions Club was pictured in the Daily News-Sun Service article of August 26, 2017.

## DG Bobbie Ravenkamp

Three days. 88 sessions to choose from to attend. 2000+ Lions from the English speaking countries in North America and the Caribbean. Inspirational speakers. But why did 20 Arizona Lions go to the USA/Canada Lions Leadership Forum in Portland? They wanted to learn more about our fabulous organization and to share ideas on ways to improve our own individual skills in leadership. Our ID Alan Lundgren, PDG Barb Daily and Lion Mark Ross were tremendous session presenters.

I feel sorry for some of our Lions in leadership positions who find no reason to participate in any kind of training, whether it's orientation, zone training, or at the district level. They project that their background achieved outside of Lions establishes them as leaders. They already KNOW everything. The same holds true for those leaders who've occupied an office for several terms. Yes, we are all volunteers. Yes, each club is unique in member composition and service opportunities. However, "Unlike

management, leadership cannot be taught but it can be learned and enhanced through coaching and mentoring". (Business Dictionary)

The sessions we attend, the books we read, and more importantly the conversations we join in at leadership workshops all help us increase not only our knowledge about Lions but also build awareness of the pitfalls and opportunities for Lion leaders to engage in dynamic, effective service for our communities. Our mentors learn, too. There's always more to learn, and this year, there are new formats and new opportunities.

The Global Action Team (GAT) is our new administrative structure to propel us into our next 100 years of service. Because it starts at the club level, it will take time to incorporate into some of our older and especially smaller clubs. What remains constant is the message of "We Serve". When we attend Lions gatherings outside of our own district or our state, we learn even more about the scope and vision of our organization. I often wonder if that young boy

# Kindness Matters

from the Arizona frontier of Fort Thomas had ever dreamed of what can and would be done and achieved by Lions all over the world.

Encourage all Lions who are able to attend the MD-21 Mid-Year Leadership Forum, 3-5 November, in Prescott – there's always more to learn! Where there's a need, there's a Lion!

The 2018 Lions International Convention in Las Vegas is rapidly approaching and many Lion volunteers are needed to make it a success. It is expected to be one of the best attended conventions in North America and volunteers are needed to support various functions:

June 22 – 28 International Board Meeting

June 26 – 29 District Governor Elect Seminar

June 30 – July 4 International Convention

Each function has specific volunteer needs that are contained on the Host Committee website <http://lions2018lasvegas.org/convention-signup-sheet/las-vegas-international-convention-2018-volunteer-registration-form/>. Please visit that site and sign up online for those dates and times you can help out. Those who have volunteered at previous conventions agree it is enjoyable and adds to the convention experience. Also individual clubs are signing up to perform a specific function such as sergeant-at-arms, hospitality or parade – what a great club project! Please visit the Host Committee website and become a volunteer.

## CLUBS WORKING TOGETHER

By Lion Richard Stevenson

The Catalina Oro Valley and South Tucson Lions joined forces over 3 days to vision screen 1,308 children in 7 schools in the Copper Corridor. This includes the elementary

and high schools in both Winkleman and Kearny as well as the Mammoth, Oracle and San Manuel Elementary schools. We invited the Director of IMPACT of Southern Arizona as well as the Director of Saddlebrooke Community Outreach, both non-profits who support these children, to join us, as well as two of Oracle's school board members. We insured coverage by inviting the local paper,

the Copper Area News, to cover these events and then wrote additional articles to appear in the Saddlebrooke and Oro Valley newspapers. By building relationships and visibility with these schools, non-profits and communities, we are better able to Serve. We Serve.

## Mother Thanks Lions for Eye Screening Her Son

While vision screening at La Paloma Charter School, a teacher noticed our yellow vests and came up to tell us about her son Jacob. Last year when we screened there we referred him, and his mother was surprised to hear this and took him to the Optometrist and found that he did indeed have a vision issue. He now has new glasses and is wearing a patch 3 hours a day to clear up his strabismus, and his school work is improving. The mother was very grateful and thanked us discovering this issue. We Serve

#### Make the MidYear Forum

Yes, this is a pitch to attend the MidYear Forum and Leadership Conference next month.

As a Lion from Prescott, I'm personally inviting you to visit "Everybody's Hometown." As the host District Governor for this year's Forum I know you'll have fun, learn a lot, and share in a fabulous experience. Most important, I don't want you to miss anything.

The MD council meeting will be Friday evening, and the district cabinet meeting will be Sunday morning. At these meetings, you'll hear and learn things you won't get anywhere else – that's why these are good things to attend.

But the "good stuff" is all day Saturday -- from early morning into the evening, and it'll be worth it! Arrive early for the networking; participate in the raffles and fellowship; attend the opening and general sessions, including the introduction of our guest International Director.

Lion Barbara Daily and her global leadership team have identified 13 topics for workshop sessions; International Director Sam Lindsey and his wife Jodye (from hurricane-ravaged southeast Texas) will be the keynote speaker for the Saturday luncheon; the day includes activities for LEOs from the opening to the late afternoon; and the evening dinner session includes a special keynote presentation you are NOT going to want to miss, followed by live entertainment from a local band featuring Lion John Olvera!

If you haven't registered, JUST DO IT.

#### Diabetes Support Group

Don't you "love it" when a plan comes together?

The LCIF pilot project effort to initiate Diabetes Support Groups throughout the district continues to grow, and expand its outreach network into our local communities. From Mesa to Phoenix to Prescott, the development of these support groups has begun to show meaningful impact.

In April, the Foundation asked for proposals on how to implement the new focus area, Diabetes, and asked for help in different pilot projects; we had nine days to submit the grant applications. The challenge was to identify ways to marshal the service efforts of Lions at the local level to impact a community audience estimated at one-in-nine.

That's right, one in nine – statistically, that's the number considered either having Type 1 or Type 2 Diabetes, or being pre-diabetic.

District 21-C was awarded a district pilot project grant, based on initiating diabetes support groups as ongoing, club-level community service projects. Leaders from the Phoenix Asian-America, Mesa Thunderbird and Prescott area clubs set the overall pilot project effort in motion.

For the past three months, project teams have conducted "Diabetes 101" training at the district Kickoff in July, and have already completed several first and second support group meetings at each of the geographic areas served by these clubs.

The invitation remains open to start your own local club-level support group. Contact me directly if you'd like to learn more. I'm pleased to combine an official club visit with an orientation on how your local club can easily initiate a service project that will impact the one-in-nine!

#### Club Visitations

Every district governor is challenged to visit all of the clubs in the district. I'm still a working professional attempting to balance a 50 to 60-hour work week with the veritable full-time responsibility as district governor. My calendar is filling quickly.

As mentioned at the Kickoff and previous messages published in the Canyon State Lion, my hope is to meet and visit with club presidents and club officers at Zone meetings. If the club president would like me to attend and participate in a club's fundraising event or a special service project, I'll make every effort to attend.

I'm a Lion, first and foremost... and service is what we do.

## Prescott Noon Lions Helps Victims of Hurricane Harvey

Prescott, AZ- Immediately after Hurricane Harvey struck Texas, the Prescott Noon Lions Club organized a collection campaign for Hurricane Harvey Relief. With the assistance of the Prescott Evening Lions

Club, they have collected over \$21,000 as of Sept. 13, with more coming in every day! The money will be passed to Lions Clubs International Foundation Disaster Relief earmarked for Hurricane Harvey victims. The

collections took place at local grocery stores on September 1 and 2, 2017.

The effort was organized by Lion Mike Franklin, a former Houston resident. Lion Mike is pictured below.

## Lions Screen Eyes of Payson Community Kids

The Payson Lions on August 16th employed their vision screening instrument to check eyes of 62 children at Payson Community Kids in just over one hour. This instrument screens for six different eye conditions and when a condition out of range appears, the Lions recommend an eye exam by a qualified ophthalmologist or optometrist. Children from age 5 and up were lined up

and ushered through the process, each taking about one minute to screen. The instrument has been successfully used on 6 month-old infants and works best on young people by providing early detection of conditions that can help lead to steps to improve vision. This is a great tool to alert families at an early age of a potential problem that could affect their children's future education. Plans are now in the works to screen hundreds of children at the two main elementary schools in Payson.
