Good Morning,

I recall from the MDC council meeting the request to receive information on the training dates in C1.

One training event will be on **April 25** in Grande Prairie. Thank you to Betty Ann for spearheading this one.

There are 2 additional Lions Training dates set - **May 23** in Edmonton and **May 30** in Redwater. Save the date and registration forms are attached as information.

C1 newsletter editor and webmaster, Michael, has these posted on the C1 website as well in our current newsletter. I am including Dennis Stevenson in this email to ask to post on the MDC website as appropriate.

Thank you.

Please contact me if you have any questions.
