FROM DG MIKE KEREK

I talked this morning with a lady who had been a drug addict for 35 years. Crack cocaine. She had 6 kids during that time; 3 were permanently taken away, her parents took the last 3 and was raising them. Had never learned to drive, didn't have a job, lived on the streets primarily. Had been in and out of court-ordered rehab several times, but it never stuck.

Finally she was hospitalized and was told she was one "high" away from a heart attack or a stroke. "Do you want to live or to die?" the doctor bluntly asked her. Live," she replied, and meant it. The problem was, she knew she couldn't do it on her own. Addiction, whether it's drugs, alcohol or anything else, is a lot harder to stop than anyone might think.

But the doctor knew a program that could and would help her. A faith based program where she was listened to, fed, cared for, learned skills, and validated as a human being. Where she was finally able to kick the cocaine habit. As a result, she has a job, has 3 of her kids back, and is looking for a home. She's been sober for over 3 years. She now mentors other addicts and homeless from a perspective of one who has been there.

She gave a lot of credit to that program for saving her life and allowing her to start fresh again. But she reserved some heartfelt thanks for that doctor – the only one who, to that point, actually saw past the addict and saw the person. Who listened.

Many of us are guilty, including me, of passing judgment on a person because of decisions he or she have made in the past. That person is a crack-head. That one is a thief. The one over there is abusive. No effort is made in most cases to learn their story. To learn WHY they did what they did. Most people don't make the decision to be "bad" people. They make choices, often stemming from where they came from and how life (and others!) treated them along the way, that snowball into other poor choices. With help, many are salvageable...if someone would just listen.

We also have an opportunity to change our minds about individuals, based on the efforts they have made to exorcise their personal demons. Through conversations, through observation, through others who witness the transformations. To give those who understand that, while they can't change the past, they want to change their future. That's not easy, but it's necessary. If we can't give people a chance to redeem themselves, why should they even try? We all make mistakes, all need forgiveness and a second chance to make things right.

There's a reason why this subject is on my mind. A lady I've gotten to know through the Lions, who lost her kids due to addiction and other things 8 years ago, is on track to get them back. 4 years sober, full-time job, and you can see the love she has for the kids as much as they have for her. She has worked diligently to prove herself able and worthy.

In order for her to get the kids and her into their own place, she needed my help. She needed me to hear her story and give her a chance. I listened. She moves this week with her kids into a new chapter of their life. You may not get faced with anything this dramatic, but we all are presented with opportunities to "turn the other cheek," to hear someone out, and to give that person a second chance. I hope you do.

-DG Mike

What did Lion George Bonham invent in 1930 that transformed the blind world?

There's still time to answer the March & April trivia!

The Lions Funnies

Ohio Lions Eye Research Foundation, Inc.

**Research Today . . .
Vision Tomorrow**

The Ohio Lions Eye Research Foundation (OLERF) is a 501(c)(3) tax-exempt status organization. OLERF is committed to finding treatments and cures for blinding retinal diseases. It takes your continued support by providing donations for our grants/fellowships to Ohio researchers. Our researchers develop new breakthroughs and conduct groundbreaking research that provides hope to those living with blinding retinal diseases. There is still much more work to be done in the fight against blindness, and we cannot do it without you. Now is the time to renew/continue your dedication to ending blindness and vision loss here and around the world.

We have been able to accomplish so much together however, there is still more work to be done and we will not stop until we have eradicated blinding retinal diseases and restored vision across the world.

- All funds received by OLERF remain in Ohio for research
- \$357,000 committed for research projects for 2023-2024
- Special awards (Leadership, Visionary, Founders, Dick Bryan) available for donations of \$500 or more in a 2-year period
- Over \$8 million dollars have been given to Ohio researchers by OLERF.
 - Major progress by our research funds. Check out the videos on our website to find out more. Go to: <https://ohiolionseyeresearch.org>

Vision disability is one of the top 10 disabilities among adults 18 years and older. It is one of the most prevalent disabling conditions among children and causes substantial social and economic toll for millions of people. This causes significant suffering, loss of productivity and a diminished quality of life.

Half of all blindness is preventable but the number of Ohioans who suffer vision loss continues to increase. The primary causes of loss of vision are cataracts, retinopathy, glaucoma, and age-related macular degeneration (AMD).

In the spring, A Lion's Fancy Turns to... MORE SERVICE!

Just because the Lions' year is winding down, it doesn't mean that your service agenda should!!! Many clubs find that the services they provide are seasonal in nature – there are things you can do in the spring and summer that wouldn't be needed or appropriate in the fall or winter. While you are planting and weeding for your own garden, consider what help may be needed to beautify your community, or to assist older neighbors who are no longer up to the challenge, but still appreciate the beauties of nature. You may have one more chance before the end of the school year to engage local school kids in a hands-on project, and model their understanding of service. What plans are you making to take advantage of the warmer weather to carry out an environment-friendly clean-up project, or hold a golf outing to raise money for your favorite cause. We can't afford to be dormant over the summer months – our communities need us!

Don't forget about the upcoming peanut butter collection at the State convention, May 17-18. If you need help getting your jars of peanut butter to the convention site, contact your Zone chair to make arrangements for a pick up. We've made arrangements for a half ton truck to be available to transport all that peanut butter down to the Buckeye Food Alliance, on Ohio State's campus. Let's see if we can fill it up!

Fun Facts About Peanut Butter:

- Peanut butter became popular during World War II, as it was a staple in soldiers' rations for its high protein content. Soldiers found it convenient, delicious, and a source of quick energy, contributing to its widespread adoption across the globe.
- The eternal discussion of smooth versus crunchy peanut butter divides households and sparks passionate discussions. The truth is, it's not just a matter of personal preference. Smooth peanut butter is often preferred in baking, while crunchy varieties add a satisfying texture to sandwiches.
- In 1969, as part of the Apollo 11 mission, peanut butter became the first food to be eaten on the moon. Astronauts Neil Armstrong and Buzz Aldrin enjoyed it in specially designed squeeze tubes.
- Despite being a calorie-dense food, peanut butter is a nutritional powerhouse. Packed with healthy fats, protein, and essential nutrients, it's been linked to various health benefits, including heart health and weight management.
- A 40 oz jar of peanut butter provides 34 servings of this healthy, nutritious, and tasty staple. Your contribution will make a significant difference to students struggling with food insufficiency.

Come on... "spread" the kindness. Join with Lions from across Ohio to make a difference.

Worthington Noon Lions Club

The Worthington Noon Lions Club has collected over 6,700 pairs of used eyeglasses this club year and made several donations to the SVOSH organization, which stands for the Student Volunteer Optometric Services to Humanity (SVOSH), at the Ohio State University College of Optometry (OSUCO) Chapter.

SVOSH is a charitable organization dedicated exclusively to providing vision care to those who would otherwise be unable to receive it due to financial or geographical limitation. This organization seeks to provide such care through partnering with existing clinics or organizations in the hopes that the care may be sustainable into the future. This organization provides a unique educational opportunity for those members who participate from various professional associations. The Worthington Noon Lions club has "collection boxes" located throughout the community in various establishments or businesses so residents can drop off their used regular or sunglass eyewear. The Worthington Noon Lions Club appreciates the community's consistent support of this ongoing community service project.

FROM CC DAVE STOCKUM

March roared out like a lion, and MD13 Lions have been roaring throughout the month of April to alleviate some of the devastation caused by the unusual number of tornadoes that have crossed our state. Kudos to the Huntsville/Indian Lake Lions Club for their immediate response to the EF3 tornado that has caused so much damage in Logan County. OH1 leaders have set up a fund to provide support during the recovery, partnering with the Logan County United Way as well. District Governors have called on Ohio Lions Foundation to help recovery in areas where other tornadoes have been destructive. Where there is a need, there has been a Lion!

The MD13 Convention will be held at the Doubletree Inn in Worthington. Lions International First Vice President Fabricio Oliveira will be the International Guest during the May 17-18 Event. Registration for meals closed April 30, but Lions can attend the business meetings, see the displays, and enjoy the evening hospitality by paying the \$15 registration fee on Saturday the 18th. This includes all MD13 Lions who haven't registered in advance, including club delegates coming to vote during the Saturday Business Meeting.

There are two months left in the current Lions year, and we have added over 800 new Lions since July 1. Congratulations! We are currently in the plus column in membership growth for the year, and if we continue to add Lions at the rate of 80+ per month, we will have the first positive membership growth as a multiple district since 2007! Don't let down. We all know that the natural course of things is to grow. Nothing ever stays the same. Help us grow by asking a service-minded person to join our association. In respect to current members, take a few minutes and send a card to friends in your club who have had health issues or whom you just haven't seen for a while. We are a family and need to be looking out for each other. We do a great job for those in the community not in our organization that we support with the many service projects we undertake. Don't forget our own partners in service.

Best wishes in the coming months as we celebrate graduations and other school events; births, birthdays, reunions and family gatherings that often occur at this time of year; spring flowering and planting; and all the other activities that take place in the normally great Ohio weather that marks the coming of summer.

Attention Veterans – Families/Friends of Veterans

Honor Flight at Home. In Ohio. In Marion!

Honor Flight Columbus is excited to announce our fifth Honor Flight at Home in Marion to supplement our long standing mission of honoring our senior veterans by providing them with a no-cost trip to Washington, D.C. to visit their memorials. Our Honor Flight at Home program is designed to recognize and honor, in Marion, any veteran that served active duty from 1941 to 1975, who has not previously gone on an Honor Flight, and **cannot** travel to Washington.

This free program will be held: Saturday, June 8, 2024
Tri-Rivers Vocational School
Rt. 95, east of Marion. Across from Meijers

Check in starts at 1:00PM
Program is scheduled to run from 2:00 to 3:00PM.

Deadline for submitting applications is May 25, 2024. Send application to:
Honor Flight at Home
Veteran Application
Attn: Margie Saull, Event Coordinator

Pick one class to attend each hour

Time	Title	Description	Required	Room	Instructor
10:00 to 10:50	Now the you are the Club Membership Chairperson, what do you do?	We will be discussing how to develop a membership growth plan and how to ensure members are properly oriented. Learn to promote your club at service events in the public by working with other officers in the club. Identify opportunities to recruit prospective members and how invite them to join the club. Enhance club visibility, engagement, community impace and utilization of memberhip satisfaction programs.	Membership Chair	TBD	Gary Hollaway
	Feeding Hungry Children in YOUR Community: A Step-By-Step DIY Service Project	We will begin with a case study. This year, the Tri-Village Lions were responsible for bringing together a community coalition that provided more than 3000 meals and snacks to hungry children in our local schools – and none of the money needed came from the budget of the Tri-Village Lions! We'll review how that project came about and played out, then help attendees create a step-by-step plan for mounting a workable program in your community.		TBD	Jane Jarrow
	Club's most valuable member is the Vice President	Duties and roles of a successful club's Vice President	Vice Presidents	TBD	Steve Kaplan
11:00 to 11:50	Streamline Your Meetings	Increase efficiency, better engagement, stronger accountability	Presidents	TBD	Steve Kaplan

	Recruiters Passport	What is this Recruiter's passport and what's the best way to utilize it with my club members! How do we grow our membership by sharing our service story?		TBD	Tamarra Parker-Stephens
12:00 to 12:50		Lunch Break			
1:00 to 1:50	Financial and Compliance Peace	Worry-free budgeting, reporting, compliance, and oversight.	Treasurers and Compliance	TBD	Steve Kaplan
	District Resources - Where to find the right resources for YOUR Club	Finding the following resources might be tricky: Sight & Hearing Agencies; Lions Foundations; International Relations Agencies; Youth Agencies; Miscellaneous Programs; and District Support Personnel. We'll walk you through the process of how to find these different resources.		TBD	Gary Holloway
	Is That Tail Twisting?	Are your meetings fun or boring! Get members wanting to come back to the next meeting by learning how to get your members excited again.	Tail Twisting	TBD	Jackie Miller
2:00 to 2:50	Success and Sustainability	Board of Directors are the guardians of the club's future	Board of Directors	TBD	Steve Kaplan
	Youth Committee: Leo and Cub Clubs	Youth programs bring ways to see an exciting future	Youth	TBD	Bill Python
	Marketing Your Club on a Shoestring Budget	Over time, Lions have gotten better at finding ways to reach out successfully to keep club members and other Lions up-to-date on your activities. Now it's time to reach out to new audiences. Whether it's for purposes of fundraising, or service, or just to raise your visibility (a step toward recruiting new members), we have to start being more deliberate in our marketing efforts. Come to this session with a tentative calendar of your club's activities for next year, and learn how to identify new ways to get the word out in your community.		TBD	Jane Jarrow
