Thank you!!

Two small words but filled with a lot of gratitude and happiness. As my year is ending at the end of June, I want to thank everyone in the district for all you have done to make this a successful year not only for myself but for your club, your members and for the people that you serve.

While I have decided not to mention anyone by name, because you always leave someone out, I'll be as generic as possible, but you'll know who I'm referring to. I've appreciated the willingness of our district's Past District Governors for stepping forward and helping with projects, serving our communities, and taking a leadership role in our district and state. Speaking of leadership, I've been awestruck by the Lions that have come forward asking to serve on the cabinet; along with those saying "yes" when asked to take a position, you all have done a great job!!

Perhaps you yourself have decided to step forward in your club and take on a new role, OR you suggested a new service project and the members decided to go forward with your idea. I'm sure it was/is a bit nerve racking, hoping you did the right thing, but you did, and your club and community is or will be better for it!!

In closing, I hope during the summer while you are relaxing in the sun you take time to reflect on the question: "When did you become a Lion?" Because the day you became a Lion (for me it was in September 1993) isn't the day someone pinned a Lions pin on your lapel, it was the day that you saw a need and responded, or you were that person at one time in your life and a Lion helped you!! How did you feel? Grateful? Humbled? I encourage you to share that story with your club or perhaps a new Lion. You'll be glad you did. My story??? I'll share it with you at another time, but I can tell you it had to do with a White Cane event at a Kroger store and a dog named Bear.

Thank you again for a great year and keep on serving.

DG Debbie

WE (continue to) SERVE!!!

The MD13 District Convention on May 19-21 demonstrated, once again, Lions' commitment to service. All year long, we have asked the Lions of Ohio to save their pill bottles to be recycled for use by Matthew 25 Ministries. At the convention, in a little over 3 hours, several dozen Lions pitched in to process 13,000 pill bottles for reuse or recycling. The work crew included good representation from OH5 (as shown in the picture). Congratulations to all the Lions who participated throughout the year in this successful effort.

We also learned, at the Convention, that District OH5 was matched by the other districts of Ohio in reporting their service throughout the year, so that our multiple district reached the 100% reporting... AGAIN. Last year, we were the only multiple district worldwide to make that claim. Now we are "two for two!!!"

Earlier in May, I had the honor of participating in the New Voices symposium discussing issues of hunger in our communities and what can be done to help. There are so many in need, and there were some terrific ideas suggested for what Lions can do to help. I'll be sharing many of those ideas in a session at the upcoming Learn To Roar (June 10) leadership training (Collaborative Service: Amplifying Our Motto), and I hope you will come away with ideas of what your club can do to make a difference for the too many folks in our communities who live with food insecurity.

Yours in Lionism,

Lion Jane Jarrow, GST OH5

Help needed in the Sensory Garden!

We will be having another work day at the Sensory Garden on Saturday, June 3 from 9 to 12:00. Still have an area to be weeded. One area needs preened That will be three areas that can be mulched.

Tools have been purchased even gloves so don't have to bring anything except yourselves. Once all beds have been mulched, can start looking at which plants would be best really need deer resistant. Plants thst relate to the senses would be great.

Once everything been completed, will have a work day every three to four weeks to keep the Garden maintained. Maybe one of your clubs would like to pick a month to work in the Garden.
