TOGETHER WE CAN

Every month the plan is to talk about one of the district's goals, this month – Service!

SERVICE – Goal #2

My Service goal is to have 100% reporting by clubs. Why?? Why should anyone care what my club is doing? In fact, it's no one's business. Right??

Not exactly, you should be proud of what your club is accomplishing, you should be shouting from the rooftops and congratulating each other on your commitment to serving others. You should also be checking out other club's service projects via MyLion. Imagine the number of new project ideas you might get.

There is also another reason to report your service hours...Lions Clubs International works with other for-profit organizations throughout the year to get monetary support. That's where our service grants come from, the more support the number and amount of grants go up. How does LCI use your service hour numbers? When they go out and talk to those organizations, they tell them, we served 3 million people last year. That organization will respond, prove it. By taking the data that you supply via MyLion, they can compile the number of people served and types of projects to show that we did serve that many people.

So reporting your projects helps your club and your district get needed funds to help even more people in OH5.

If you ever need help in using MyLion, please do not hesitate to reach out for assistance. Our District Administrator, 1VG Mike Kerek is there to help, along with GST Chair Jane Jarrow and 2VG Ben Dawson.

Week of Service: October 9 – 16, 2022.

Fall into Service!

As a Lion, As Part of a Club, as Part of Our District

We are just a week away from this year's statewide Week of Service (October 9-16). We hope that every club will find a way to participate in some service project during this time. Many clubs have already made plans for service. If your club hasn't been able to line something up, consider contacting another club in your Zone to see if **they** have something planned – and ask if you can help! Check out the invitation on page 13, to join Lions from all over the District to help out on that Saturday, October 15, spreading mulch in the sensory garden at the Ohio State School for the Blind.

Meantime, don't forget to tell others what service you are involved with. Lions have traditionally been "the best kept secret around." WE know that we are serving in all sorts of important ways, but we often forget to share that with the community. Keep looking for ways to let your neighbors know that the Lions do good things – and their participation with us is welcomed. *(And don't forget to report service by club members to LCI through My Lion!)*

NOW ON FACEBOOK!

MD13 received Marketing and Communications funding from LCI to create social-media-length videos to promote our Association! These fun new videos will be released near the **1st of each month**- first to the State FB page, and then reposted to the District FB pages. We would love for individual Lions to *SHARE these videos to their own pages*. People don't watch what a big organization posts, but they DO watch what a friend posts! Why not share the Association YOU take Pride in?

Lions for Pediatric Cancer Research

July 18, 2022

Super Braxton 5K
C/O The Reynoldsburg Lions Club
PO Box 575
Reynoldsburg, Ohio 43068

Dear (Manager/Owner Name),

Our annual Super Braxton 5K for Pediatric Cancer is coming up on Saturday, November 5, 2022 at the Reynoldsburg High School Summit Campus. Last year we raised \$7,444.00, in net proceeds, thanks to the kindness and generosity of our sponsors and participants who donated funds and/or registered to run/walk in the race. The amount raised was then split between Nationwide Children's Hospital and Dayton Children's Hospital Oncology Departments.

The Reynoldsburg Lions Club is a non-profit organization and we are seeking your help. Would you please consider partnering with us by being a sponsor to help us keep costs low so more of the funds raised can go directly to pediatric cancer research?

If you are able to sponsor this event, please fill out the enclosed Sponsorship form and return it to the Reynoldsburg Lions Club in the self-addressed stamped envelope.

Also enclosed is a Super Braxton 5K flyer we would love for you to display in your business, if at all possible, to help advertise this wonderful event.

If you have any question and/or concerns you can call Co-Chairs Debbie Bolyard at 614-202-8907 or Mike Kerek at 740-412-4692.

Thank you for your consideration, and please don't hesitate to contact us with any questions.

Sincerely,

Lion Debbie Bolyard

An Invitation to Serve

During the state-wide *Week of Service* (October 9-16) we know that many clubs are planning active service projects. IN ADDITION to your participation in your club's activities, you are hereby invited to participate with Lions from throughout OH5 on a District-wide service initiative.

October 15, 2022
9:00 AM – (probably) Noon*
Ohio State School for the Blind (OSSB)
5220 N. High Street, Columbus, OH 43214

** it depends on how much help we get!*

Help Us Prepare the **OSSB Sensory Garden** for the coming Winter
(and for rebirth in the Spring!)

A sensory garden offers blind visitors a delightful outdoor experience during the growing season. The sounds and smells of nature can be enjoyed among plants specially selected for their unique textures and fragrances. The OSSB Sensory Garden has long been supported by the hands-on work of Lions from throughout our District. It is one of the many ways we fulfill our commitment as Knights of the Blind, by providing this unique experience for the students at OSSB.

The garden needs our help!

On that morning (Saturday, October 15) volunteers are needed to help spread a *whole lot* of mulch over a *whole lot* of ground!!! If you have your own garden gloves, or a shovel, bring 'em along!!!

Come with a group of Lions from your club

OR

Come alone and be part of a group of Lions from throughout our District!

If you can join us on October 15, please contact Lion Jane Jarrow,
JaneJarrow@aol.com, 614-571-5681 (V/T) so that we can estimate the size of the workforce that morning. We'll provide the water and some energy snacks!!!
