FROM DG MIKE KEREK

We had our OH5 District Convention a couple of weeks ago. PID Bruce and his lovely wife, Lion Erin, were everything we could have asked for as International guests. IPDG Debbie Luttrell and her all-star team, Paul & Kelly Hogrell and Jen Luttrell, put together a service project that will be remembered for a long time. 500 busy-bags for children in Nationwide and Dayton Childrens Hospitals, completed in less than an hour. We won't forget the invaluable assistance of Sgt At Arms Stu Koble, who generously provided his truck and trailer to transport the items to and from Deer Creek, nor the strong backs and great attitudes of Lions Lisa Stackel, who unloaded much of the trailer on the inbound side, and the Cols East Side Lions, who loaded up 72 boxes of the bags at the end. The Martin family gave a presentation that saved lunch, in my opinion, and then stuck around to help with the busy-bags...including the kids, Logan and Cora, who worked just as hard as the adults! 2VDG Carl Gass and Lion Bill Bretthauer made pulled pork for the hospitality room that was gone so fast, I almost missed out completely! CS Gary Holloway gave excellent presentations on GMA and Club Resources. I absolutely loved Lion Nikki Frierhood's rendition of TAPS at the necrology – capped off the ceremony perfectly – and Lion Pastor Jeremy Harper was spot-on in his message. I also really enjoyed 2VDGE Gary Likens opening lunch with the National Anthem! PDG Jackie Miller and her team did an amazing job pulling together the convention, and outside of the things that were beyond our control, (i.e. lunch, PA,) it was a success. The planning was worth the time.

I do want to interject something here – Jackie, Toni, Carl and I met with the Deer Creek GM and a couple of key people this past week to address our concerns. Without going into too many details, they agreed to help make our perception of the past more palatable, the person who caused most of the issues will no longer be in a position to do so for anyone else, and Deer Creek is committed to incentivize giving them a second chance in the future. Given that this was the first time I had ever experienced such poor service at that facility, I feel it is only fair to say that I agree with them - this is not the norm. They are traditionally a good location who had a really bad moment.

I want to thank all the attendees who made my father so welcome. The Hungarian flags that Lion Deb Horn created by hand and were on each table really touched him, and he enjoyed the conversations he had. I know how fantastic a district we have; it was important to me that he saw it too. One of those flags is now in a special place of honor in my house as a reminder as well.

I gave away many awards and recognitions, all to very deserving Lions, and so many others could have been recognized that I simply didn't have the awards to give or simply didn't know about. Please make sure Toni, Carl & Gary know of deserving Lions in your clubs – we, as a team, want to make sure that somewhere down the line those Lions are recognized! I very rarely acknowledge receiving anything myself, but I want to thank the OH5 Cabinet, and 1VDGE Carl for spearheading the effort, for presenting me with a PMJF. It was an unexpected honor to receive it, one that meant more to me than the award itself. It was symbolic to me of the relationship I have enjoyed with one of the best leadership teams I have been blessed to work with.

We still have 3 months to go – you haven't gotten rid of me that easily – and we have a chance to finish how we started. Strong! I'm still out and around, visiting, but am always available when needed. I look forward to the rest of this Lions year! -DG Mike

A NOTE FROM PDG JOE JACKSON...

OH5 Clubs,

Members of LIONS Clubs need to be aware of damage to their community areas, and communicate that to their district leaders. District leaders cannot request assistance if data isn't available to report to LCIF or other foundations. Fires, floods, or tornadoes- **no damage is too small to report!**

Monthly Trivia Contest

Be the **first** to send the correct answer to the Lions Trivia Question each month and win a \$10 Lions Money prize, to be spent on anything Lions related, from your DG! Please note, these questions will NOT be easy.

Send answers to districtoh5news@gmail.com

We have had decent years in LCIF donations at times and have helped numerous people as a result. But only once (that we can confirm) has the \$30,000 thresh hold been crossed by any of the OH5 Districts. Going as far back as records are available for Districts 13-E, 13-F, and OH5, in what Lions year did any of these 3 districts surpass the \$30,000 giving mark to LCIF? District and Lions year required.

There's still time to answer the March trivia!

Tri-Village Lions share service success!

The Tri-Village Lions were proud to head up the Tri-Village Packers – a coalition of community groups that included everyone from the Cities of Upper Arlington and Grandview Heights, to the Northwest Kiwanis Club, the Tri-Village and Upper Arlington Rotary Clubs, and an amazing group of community volunteers to mount our second major food distribution within the Tri-Village schools.

Folks are surprised to hear that within the seemingly well-situated communities of Upper Arlington, Grandview, and Marble Cliff, there are still hungry children and families who deal with food insufficiency on an ongoing basis. Last Fall, we sent home food for 93 children over the five-day Thanksgiving Break who would be missing the availability of free school lunches during school vacation. On the heels of that successful first-effort, the Tri-Village Packers expanded our efforts to provide nine days of food for 107 children from the Tri-Village area to support them during their Spring Break.

We look forward to sharing how the project came together with our Lions colleagues at the upcoming Learn to Roar.

Spring Break Food Distribution BY THE NUMBERS...

Between March 12th and March 22nd:

160+ community volunteers gave more than **300 service hours**

Moved, unboxed, sorted **1000+ lbs of food**

Packed more than **4000 food items** in **107 bags**

31 children had special dietary needs/restrictions that required individual packing

\$1675 in grocery cards distributed to buy fresh produce and dairy

Assembled **62 craft kits** for children from 4-12

78 High Five/Highlights magazines included for children from 2-12.

Report from OH5 District Convention Service Project

THANK YOU! THANK YOU! THANK YOU!!

Thank you to all of the clubs in OH5 that have contributed funds to LCIF and made the Community Grant possible.

Thank you to DG Mike for allowing me to coordinate the Service Project and MOST importantly to my core crew: Lion Kelly Hogrell, DGE Toni Gray, Lion Loretta Sweeney and Lion Paul Hogrell for all of the organizational, buying and facilitating skills that they provided that made this project such a success!!

Thank you to all of you who helped fill the bags and boxes the Saturday of the convention. 500 bags filled and you will put a smile on faces of children at both Nationwide Children's and Dayton Children's hospitals.

And, last but not least, a HUGE thank you to Lion Stu Knoble for all his hard work hauling boxes of toys down to and then transporting all of the completed boxes back from Deer Creek.

THANK YOU!

IPDG Debbie

FROM CC DAVE STOCKUM

Spring has sprung, and the “sprung” has had one unpleasant surprise. The March 14 EF3 tornado in Logan County of OH1 was terribly destructive. In the wake of this disaster, local residents and businesses responded swiftly and started relief efforts almost as soon as the tornado departed. The Logan County United Way has provided the infrastructure for the coordination of these efforts. As a result, OH1 leaders (DG Deb Crawford and Cabinet) have partnered with the LCUW. OH1 has collected, either directly or by commitments, over \$31,000 at this writing. As the LCUW informs OH1 of needs, these funds will be used to supply those needs. Due to the severity of the tornado, filling these needs will be a long term project. If you or your club wish to donate to this relief and recovery effort, you may make a direct contribution to Lions District OH1. **Make sure to add tornado relief on the memo line.** Send the check to CT/PDG John Davis, 933 Thornapple Lane, Findlay, Ohio 45840. If you wish to make a tax-deductible donation, go to the Logan County United Way website, www.uwlogan.org, and find the “donation” tab. The site automatically creates a digital receipt when a donation is finalized. **If you want to have your donation recognized as a Lions offering, after your name use a dash and give a Lions designation.** For example, Jane Doe – OH1 Lions or John Doe – Western Hills Lions would go on the name line. Make sure your name matches the way it is listed on the credit card you are using to make the donation.

Let me offer two thoughts as we move through the District Convention Season. First, **don't wait to elect your officers.** My challenge is to submit those names to the International by May 15. Second, don't wait to see who plans to remain in your club. Seek out club members who have been absent or inactive and find out how you can keep them involved. We are doing an excellent job of adding new members (722 to date), but we need to work on keeping these new Lions and reinvigorating the longtime members of our clubs. Let all our members know how important they are to our mission – new voices and old voices alike! Attention to Retention is essential. Orientation and training play a key role in retention. So does active Service. We Serve. Best wishes in the coming months; enjoy family and friends during the solar eclipse gatherings, spring break, and Spring blossoming.

Sample newsletter submission - April 2024

It's time!!

Lions, it is finally here! The new [Lion Portal](#) is set to go live APRIL 15, 2024!

What does this mean for us?

Thursday, April 11 is ***the last day*** for Lions to access anything in the MyLCI - MyLion - Insights systems. It is the last day to input service projects, the last day to check statements or contact information, the last day to input officers or new members *in those systems*.

No system will be available online the weekend of April 12-14.

April 15 to May 13, Lions who have an active account on MyLCI/MyLion will receive an email inviting them to log into the new Lion Portal and create their password. **DO NOT PANIC IF YOU DO NOT GET YOUR EMAIL APRIL 15.**

After May 13, All visitors attempting to access the previous digital tools will be automatically redirected to the new portal.
