OH5 District Convention  
p.6

## FROM DG MIKE KEREK

We are coming up on the convention quickly. I hope many of you will consider coming to Deer Creek and participate in this year's event.

Because the convention is not about me. It's not about you. It's about US, celebrating service to others as a team. It's about connecting with like-minded people from around the district in fellowship, conversation, learning, serving through the planned project, and congratulating those who have gone above and beyond and are being recognized for their efforts. It's about emphasizing the "We" in our organization's motto in a way that discussion in club meetings cannot duplicate. The OH5 Convention is for and about the Lions and guests who want to have fun with others who share their interests. (Yes, folks, guests are welcome, families are welcome. Dress for comfort. We just want you there!)

But don't delay! Deadline to get a room at the lodge is Feb 14 (a separate call to the lodge, reference the Ohio13oh5 Lions convention to get the special rate) and registration for the convention itself stops March 1. (You can register either via mail or online at [district13oh5.org](http://district13oh5.org) on the home page, where the links are both there.)

We've had a great year so far, but this is not the time to take your foot off the gas! Keep finding new members and getting them engaged in new projects...then report them. Keep doing the things that Lions have done for over 100 years around the world - being someone's hero!

DG Mike

## OHIO LEO STATE CONVENTION

Attached to this newsletter is the registration form for the Ohio Leo State Convention on Saturday, February 24, 2024, in Waldo, Ohio (between Marion & Delaware, Ohio). We encourage you to attend- the registration form is included with the flyers at the end of this newsletter.

This is a wonderful 1 day event to bring Leos and advisors together to learn about what each club does and how you serve. There will also be leadership training and a service project. We have heard that in the past, Leos have said that the state convention was one of their favorite activities. There are some items we need your help with regarding this event - even if no one from your club attends:

- Will your club be attending the Convention? Yes or no. (Need that info by January 9th.)
- If attending, while registration is needed by February 9, 2024, we need to know shirt sizes for attendees by January 12, 2024. Please Email that information to [youth@ohiolions.org](mailto:youth@ohiolions.org).
- If attending, we are asking each club to prepare a tri-fold "storyboard" that shares information about your club, pictures, etc. - to tell who you are and in what ways you serve your community and beyond.
- If attending, there will also be time to share your "Best Project" with attendees. Think about one project that is your favorite and prepare a presentation.
- The Waldo Food Pantry will be our service project at the convention. They have shared that the items most needed are toilet paper, paper towels, Kleenex, all-purpose cleaners, and glass cleaners. We are encouraging clubs to bring these items to the convention.
  - If you are not attending, would your club like to participate in this project - or provide similar items to a pantry in your area?

## Our Ongoing Commitment to Service

Congratulations to the Lions of District OH5. We have, once again, hit the 100% mark in reporting our service activities (that is, every club in the district has reported in!).

Statewide, 96% of the Lions from all seven districts have reported in, so we will almost certainly match our 100% reporting status, statewide, from the last two years. That's a remarkable feat among Lions worldwide – we are the **ONLY** district to reach that mark. But... what have you done for us lately!?!

As Lions, we can't afford to sit on our laurels. There are people out there who need our help and support. The fact that every club in District OH5 reported at least one service project in the first half of the year just goes to show that we can do it all again before the year is out. **WE SERVE!!**

Meantime, did you know that your zip code matters more than your genetic code? I heard a fascinating speaker last week. Shiloh Todorov is with a group called Families Flourish. The organization “empowers families to address their total needs over a 3-year period, reversing historic barriers by fostering greater inclusivity, equality, opportunity and access to housing, education, and family wellness.” The program centers on intensive one-on-one coaching and advice on everything from handling finances, to career guidance, education, wellness, and housing goals. It begins with three years of rental support in safe, quality housing. Just by moving families into better (resource heavy) neighborhoods (zip codes!), they have seen dramatic change in the family income, credit scores, and health. Families Flourish children in their newer, healthier homes had dramatically fewer emergency room visits over the course of their first year in the program.

Many of the families participating in the program come directly from homelessness (living in shelters, in their cars, or doubled up with another family by necessity). They are being rehoused in 17 communities across the Central Ohio area, including many of the areas represented by OH5 clubs. In the last few years, Lions have honed in on the urgent need to support families experiencing food insufficiency. The availability of safe and healthy housing – and all that comes with it! – is equally urgent for some in our community. Perhaps there is a way your Lions Club can help. If you would like to have a speaker from Families Flourish visit your club, contact Shiloh Todorov, 614-787-7129, [www.familiesflourish.org](http://www.familiesflourish.org).

The cost is \$90 for the complete convention (including luncheon & Grand Banquet), \$40 for the Luncheon only, \$50 for Grand Banquet only and Friday festivities are free. Lodging at Deer Creek State Park is extra- book by 2/14 to get the Lions rate. Use code OLD5.

Attached to this newsletter are the Registration form, Business Meeting Delegate form and the Convention Agenda. Mail the registration form and club delegate form to PDG Jackie Miller, 6728 Cherry Bend, Canal Winchester, Ohio 43110. If you want to register online, visit [district13oh5.org](https://district13oh5.org).

Are you a partner agency?

There are two ways to participate in the District Convention on Saturday, March 16, 2024 at Deer Creek Lodge: reserve a space for a display and or present a quick overview of your agency's mission such as the Ohio School for the Blind, Newsreel, Prevent Blindness Ohio, Pilot Dogs, or The Ohio Lions Foundation. Presentations will be Saturday morning after Necrology with limited time (3 minutes) to inform registered guests what your agency does to serve the District.

## What's New from Worthington Noon

### 1. Worthington Noon Lions Club sponsors a successful "Holiday Sock Drive" for two homeless shelters

On 12/23, the Worthington Noon Lions Club completed their "Holiday Sock Drive for the Homeless." Bags of socks were collected, evenly divided and donated to the Van Buren Center and the Y Family Center homeless shelters in the Central Ohio region. Many may not be aware that the Van Buren Center is the largest homeless shelter in the nation and houses 3 different types of units. Worthington Noon Lion President, Brenda Toler and Lion Rea Beasley delivered hundreds of socks at the conclusion of the drive. The WNL Lions appreciated all who donated and made this community service project successful. Socks are one of the most requested by the homeless shelters.

### 2. Worthington Noon Lions Club Makes Toy Donation

On 12/20 the Worthington Noon Lions Club donated 3 bags of toys to the Worthington Fire Station for the "Firefighters 4 Kids Toy Drive Campaign." Firefighters 4 Kids is a non-profit organization whose mission is to provide toys at Christmastime for youth who may not otherwise receive them due to their family's needs and/or personal tragedy. Every year, for the past 40 years, Firefighters 4 Kids has distributed toys to thousands of children.

### 3. Lion Gary Holloway is a new Melvin Jones Fellow

Congratulations to Worthington Noon Lions Club treasurer, Lion Gary Holloway, on being named a Melvin Jones Fellow!!!! 🎉🎉🎉 This Fellowship Award is the highest form of recognition and embodies humanitarian ideas consistent with the nature and purpose of Lionism. District Governor Mike Kerek presented the award to Lion Gary at the 11/30 Zone 5 meeting. We celebrated Lion Gary at our WNL Club December general membership meeting. We are so proud of Gary and appreciative for the many hats he wears in service to the Lions Club.

## CONGRATULATIONS MARION OHIO LIONS CLUB!

On Saturday, January 27, District OH5 welcomed the Marion Ohio Lions Club at their Charter Night event. Held at the historic Harding Hotel in Marion, the night included speakers, new member inductions, officer inductions, and a meal.

The new Lions were welcomed by a Past International Director, over half of the MD-13 District Governors, the Council Chair, PDGs and PCCs, and Lions from at least 10 Clubs within our district. Start up donations were given to help the new Marion Lions get a head start with service.

What a great turnout to show our newest Lions that they are not just welcomed, but SUPPORTED by their fellow Lions. Congratulations!

## FROM CC DAVE STOCKUM

Happy Winter. That second week of January was cold weatherwise, but hot in Lions Land. The thermometer reached zero, but we added sixty new members in the first two weeks of January. Best wishes to the new club at Willoughby Hills, which chartered with 33 members on January 18. January 27<sup>th</sup> the Marion Lions Club celebrated its new charter. We need to average 85 new members a month for the remainder of this Lions Year to reach the LCI goal of 957 new members for the year. Incidentally, the Constitutional Area noted the fine job we are doing recruiting new members and raised the initial goal of 918 to this new number. Great job on the plus side, but we need to put a dent in the minus membership category. We must focus on retention of our current members to make membership growth a fact. Club satisfaction surveys, direct contact with inactive members, and increased and publicized service are all ways to stem losing members.

I am confident when you see the Recruiters Passport program unveiled at the Winter Retreat and disseminated to local Lions by mid-February, you will be further encouraged to get out in your communities and “Ask One (or two or three...)” to be part of our Lions family. Speaking of the Winter Retreat, over 140 Lions gathered at Salt Fork Lodge for an enjoyable and educational MLK Weekend. Sessions ranging from Bigfoot to New Voices were well-presented, and old and new friendships were re/established.

Besides the Recruiters Passport Program, I am challenging each club to be a 100% club in service, leadership and membership. Each club will receive a postcard after the February 10 Council of Governors Meeting challenging them to submit a report using the Lions Portal (we are almost at 100% in MD13 already), to submit their PU-101 officer report to LCI by May 15, and to finish the year +2 in growth. I will check the statistics for each club mailing me the completed postcard at the end of the 2023-2024 Lions Year and send the successful clubs a 2”X 2” banner pin designating them a 100% Lions Club in service, leadership and growth for 2023-2024. If the year were to end today, 47 of our 353 clubs would receive this designation. This is a personal challenge and funding for it is not coming from MD13 funds! I believe we can achieve this and am “putting my money where my mouth is.”

Let's go; let's grow... in service and in membership.  
Let's be leaders in the field of charitable organizations  
and in our own clubs and districts.  
Have a great February.

CC Dave
