Report to Governor- GMT District Coordinator

Dear Lion Carl,

Been working along side of GET Coordinator and District Governor to help rebuild 3 clubs in our district. Hillard Club, which is being worked on by GET Stu and DG Carl, Columbus Northeast Club, which is being worked on by myself and Lion Amanda Jones, Olentangy Club, which is being worked on FVDG Gary and Lion Patrick Loudermilk. We hope to be able to save these clubs by doing some recruiting at community events. Met with DG, GET, PDG Joe Jackson, Lion Doug Beitzel, and Libby Ramge a student at The Ohio State University on starting a campus wide club at the University. Libby is willing to help build the club and work with us in recruiting members, work is moving forward on this project. Have ordered materials for distribution for LCI for use in in this project as well to have on hand if clubs need them. As of this date the district is a -3 in membership

Respectfully Submitted,

GMT Coordinator Fred Porter
