

## **OH5 DISTRICT CABINET LCIF DISTRICT COORDINATOR 1<sup>st</sup> QUARTER REPORT**

### **Report #F-1**

August 15, 2025

District Governor Carl Gass  
District OH5 Cabinet Members

DG Carl and Cabinet,

This is my first year as your LCIF Coordinator for OH5 so it will definitely be a learning process for me. With PCC Dave as the State LCIF representative I'll be in good hands though. But I'm sure my reports will be more refined than PCC Dave's. 😊

The State LCIF District Coordinators met with PCC Dave Risen, MD13 State Coordinator, for our first LCIF ZOOM meeting of the year in July. We discussed several issues to get all the newbies started including our upcoming training to be held in Atlanta next month. Many did not yet have access to the portal so the issue of getting information about LCIF reports was at the top of the list.

We discussed LCIF Grants, Recognition, and Legacy Programs so everyone was aware of all LCIF resources available to us and where to access all information at our disposal.

We discussed assisting clubs with MJF and PMJF as well as speaking to clubs about LCIF. I have a presentation about LCIF that I can present to any club who needs a speaker and would like to have me to come and talk to their club about LCIF.

We are looking for ideas and suggestions for a Multiple District LCIF Fundraising project for this Lions year.

**As everyone knows, Texas have been the biggest topic with LCIF's "Disaster Relief Fund" and donations have been requested in support of the Texas disaster. In OH5 we've have 4 donations come directly through me (or via PCC Dave through me), totaling \$1,800. This doesn't include donations made directly through LCIF that we weren't made aware of or haven't yet seen.**

The latest report from LCIF as of July 23<sup>rd</sup> shows Clubs in total supporting LCIF for a total of \$81,437.48 so far this Lions year.

I will be attending Zone meetings and making personal visits to many of our District Clubs in the promotion and encouragement of this LCIF fundraising opportunity as I am able with my other duties.

It is my commitment to continue to ask for the support and assistance of both the district leadership as well as the Zone Chairs in support of LCIF. I will be reporting throughout the Lions year our annual donations and will be in communication with each of our District Clubs and leaders as well as Club LCIF Coordinators in the promotion of LCIF.

I want to thank PCC Dave Risen for his confidence in selecting me for this position. Hopefully I can do as well as he did.

PDG Jackie Miller  
District OH5 LCIF Coordinator

Comments were presented by CC Brad and PCC Risen thanked him for attending.
