The Committee just had a meeting this past Monday, August 11th. All planning is in the works with working to schedule 20-25 sessions during the Retreat including the members of the Global Action Team.

Held at Deer Creek State Park on January 16th -18th. Rooms are \$129 per night plus tax.

Meals included: Friday night dinner and 3 meals on Saturday

Cost of event \$130.00 before December 1st and \$145.00 after the 1st.

Working on Game night with different games including a Euchre Tournament. Will have a paint/sip class along with the other sessions. All will be listed in the program.

Everything is at the beginning stages of planning but we already have some really great sessions scheduled.
