

## Ohio Lions District 13 OH5 Zone 7

Date: 8/11/25  
To: District Governor Carl Gass  
From: Zone 7 Chair Christina Beargie  
Subject: Zone 7 Cabinet Report

**The following Club visits have been scheduled:**

August 18: Bexley membership meeting

September 2: Columbus Southeast Director's meeting. Will schedule a membership meeting later in the year.

September 4: Canal Winchester membership meeting

September 9: Hilliard membership meeting

**Tentative:**

August 20: Columbus Southern Pines membership meeting (awaiting response)

The first Zone 7 meeting will be in mid-September and I am hoping that Bexley will host. I'll be talking to them about it during my club visit. I've asked Canal Winchester to host November or February and I will ask Southeast to take the remaining date when I visit them.

The following tables show the Membership Status and Activity of the Zone 7 Clubs:

Club	Membership Status				Typical Attendance
	As of 8/11/25	As of (tbd)	As of (tbd)	As of (tbd)	
Bexley	20				
Canal Winchester	25 (+3)				
Columbus Southeast	96 (+8)				
Columbus Southern Pines	12				
Hilliard	6				
<b>Totals</b>	159 (+11)				

Numbers for +/- are compared to the Club Health Assessment through June 2025 (I haven't seen the July one come through yet)

As I meet with Clubs and hear about activities for this LY I will send those along in my Club meeting reports and the November report.

Respectfully,  
Zone Chair Lion Christina Beargie
