

YOUTH COMMITTEE REPORT, OHIO LIONS DISTRICT 13-OH5

NOVEMBER 8, 2025

The LEO Clubs I have been in contact with are active and have activities planned for the holidays. I have talked to several club advisors about getting projects entered into the Portal and have entered projects myself for one Leo Club. The deadline for the Peace Poster and essay contests has passed. Scholarship determinations will take place in upcoming months. I do not have anything else to report since most of the Youth items are handled at the state level.
