District 13 OH5 GLT Report

Governor Carl and District Cabinet,

We had a great RLLI 2 weekends ago with 5 participants from OH5 attending! I was busy from the State GLT level planning, teaching, and coordinating the entire event. Now that it's over I can get back to normal GLT duties at both levels.

I was able to attend a couple zone meetings and will be at ZC Jennifer Luttrell's Zone meeting next month. I always look forward to attending those. Anything I can do for our ZC's I'm here for them.

If you still wish me to hold the additional leadership training sessions I will get them scheduled immediately and we'll get something out and do them. Please let me know; otherwise, we'll let them go this year and strongly encourage everyone to get to our leadership training held in June. It might be a little late at this point to do them, but if you think there's still benefit to do it, we'll do it.

I don't know if you've heard anything from anyone about the District GLT Contest but I'm hoping I get something from our Lions this year turned in. I'm going to put more info in the Pride Report about it. Zone Chairs, please talk it up and let me know if members are doing it.

There's a LOT of online training available on LCI's site, Lions just have to go there and take it. It's at their leisure and easy to do.

I'm still available to visit any club who would like me to visit and talk about any training they would like and talk about LCI. They can contact me at pdgjackie@gmail.com or 614-530-1861.

Yours in Lionism,

GLT PDG Jackie
