Recent Club Reports and Projects

Arcanum: Fundraisers during summer months are providing funds to give back to the community. Upcoming service project before Christmas includes helping the community blood drive.

Gettysburg: There are no activities reported from the Gettysburg club. At this time.

Laura: Scholarships, Appreciation dinner, assistance with animal projects for children and upcoming Christmas events are some examples of how their fundraiser monies are helping their community. They have 1 new member that joined from the West Milton Lions Club and possibly several others.

Pittsburg: Their latest fundraiser helps club support activities at the local school district. The club is currently brainstorming new projects to include other groups in the community to help during service projects.

Versailles: Club supports local Troop 70 Boy Scouts and encourages them to participate in community events with club members. Versailles continues to provide vision screening in the local school district and in the community.

Zone 1 meetings are currently scheduled for Jan 13, Mar 3, and May 7, 2026.
