Report to Governor- GMT District Coordinator

February 8, 2026

Dear District Governor Carl,

Still working alongside of GET Coordinator and District Governor to help rebuild 3 clubs in our district. Hillard Club, which is being worked on by GET Stu and DG Carl, Columbus Northeast Club, which is being worked on by myself and Lion Amanda Jones, Olentangy Club, which is being worked on FVDG Gary and Lion Patrick Loudermilk. Our efforts are working, we have been able to add new members to the Olentangy club and retain members that were going to drop, the Hillard club has agreed to join the Chamber of Commerce and Lion Stu is going to be the contact for the chamber and he is hoping this will help with recruiting new members for the Hillard Club. Columbus Northeast rebuild is moving at a slower pace, but still hoping for some movement in the coming months. Looking forward to recruiting at community events in the coming months.

Continuing to attend clubs and zone meetings and speaking about retention, especially dropping members due to non-attendance if they are paying their dues, requesting to reach out to these members and asking the reason for not attending.

I am excited to share that we will have 25 new members once the new OSU club gets chartered, just waiting on the EIN number for the club. As of this date the district is a -10 in membership

Respectfully Submitted,

GMT Coordinator Fred Porter
