

Greetings fellow Lions,

February is DG training month. Instead of sending us all to St. Charles, Illinois, LCI decided to go virtual. As of today, we (my fellow FVDG) from Ohio, Wisconsin, NY, Minnesota, Mass, Michigan, Jamaica, and parts of Canada, have been part of three Zoom meetings ranging from 2 to 2.5 hours each. Five more sessions to go.

We are in final preparations for DG Carl's Convention GET Lion Stu Koble and I are organizing the Necrology service. Hopefully no deceased Lion will be left out.

No club visits this month. I have visited 38 clubs over the past two years. A few clubs remain. I try to attend as many Zone meetings as possible.

I will continue working hard for OH5 and prepare as best I can for the job ahead.

Yours in Lionism,  
FVDG/ZC Gary Likens
