

District Administration S-4

07/31/19

My game plan is simple – Get all of the clubs in our district up to speed with the new MYLIONS activities format. Train, help and answer questions. Continue to work with Rick Houser on the nuances and forthcoming anticipated changes to the new reporting format.

I will assist clubs as questions and problems present themselves. Our goal is to exceed the reported hours of service over last year.

Respectfully,
Lion Stu Koble
