

## **Zone 7 Chairperson report Z-7**

**07/31/19**

**Clubs: Columbus Beechcroft, Columbus Hilltop, Dublin, Grove City, Grove City Noon and Hilliard.**

It is too early in the new Lion year to report progress or developments. My plans as Zone Chairperson are as follows:

I have setup each of the club presidents as a “group” to better communicate activities, reminders, projects among other clubs, ideas for fund raisers and service projects, etc.

I plan to attend each of the clubs for meetings to engage in interaction.

Because of my role as District Administrator, I plan to work with the secretaries to insure they understand and can use MYLION for activities.

I will begin planning for our first zone meeting to be held in November.

Areas I plan to focus my attention on are as follows: Vision screenings, leadership training, more women in Lions, Service, membership and leadership. I also have special interest in Lions helping Lions; participating in each other’s activities, supporting each other’s activities, and helping each other with projects to include sharing ideas. I will also encourage clubs to visit each other for ideas and interaction.

Respectfully submitted,  
Lion Stu Koble  
Zone 7 Chairperson  
District Administrator
