Re: Sensory Garden

As you know OSSB has been locked down since last year due to COVID and no one has been in to work on the Sensory Garden. I was told there were more weeds than flowers in the Garden. We were trying to get permission to get in and work on the Garden when something fantastic happened. We are not sure who but the Garden is now free of all weeds. A project that would have taken several of us several hours to complete. Plants are there but weeds are gone

I am sure more plants will be needed and will have a better idea of what once I can get on campus. Will plan on a work day in September to add a few plants and bulbs. Will let you know the exact date.

Always keep in mind: We have pavers and rows of brick left to be engraved in honor of or in memory of a fellow Lion. The cost of this legacy for pavers is only \$300 and bricks \$150. The sale of the pavers and rows of brick help to maintain the garden –plants, weed control, deer repellent etc. A Lion in our Club will do on site engraving. This eliminates digging up and taking the stones to an engraver.

If interested in purchasing a row of bricks or a paver, send me an e-mail eileenlb2010@yahoo.com or call me at 614-395-8591 Payments, however, should be sent to The Ohio Lions Foundation, PO Box 21016, Columbus, OH 43221 with Sensory Garden noted in the memo line

Not interested in purchasing a row of bricks or a paver, but would like to help with expenses, please send your donation to the Ohio Lions Foundation.
