District 13 OH-5 Cabinet Meeting

D13 Childhood Cancer/STEPS

DG Joe & Cabinet

We had to move last year's Super Braxton 5K to virtual due to the pandemic. We still raised an astounding \$9,389.74 for Pediatric Cancer Research. That amount was split between the Dayton & Nationwide Children's Hospitals. This year's 5K is coming up on November 6, 2021 at the Reynoldsburg High School Summit Campus. This year's event can be located on the Reynoldsburg Lions Club Facebook page. If you click on **find tickets** on the event page it will take you to the Registration page for the 5K or you can register via the **Runsignup link:** <https://runsignup.com/Race/OH/Reynoldsburg/SuperBraxtonPediatricCancer5K?remMeAttempt>.

We are in desperate need of sponsors for this 5K this year. If any Lions Club can help support this event, it would be greatly appreciated. Please reach out to Debbie Bolyard or CST Mike Kerek.

The Ohio Lions contributed a total 456 boxes of new Legos for the Lions year 2020 – 2021 to the Super Braxton Lego Drive. There has been a total of 23 boxes for the month of July & August so far. These all go to the Long family to be distributed to Nationwide Children's Hospital for the kids on the oncology floor. These sets help keep the kids entertained while they are going through Chemotherapy to keep their minds occupied. The hospital gives the Long family a call when they are in need of more Lego sets. We need to really keep this going to help these kids and their families out.

Respectfully submitted,

Lion Debbie Bolyard

Pediatric Cancer Chair
