

#### D-14 Inter-Generations Membership

This is a new Cabinet position, created by our District Governor in response to the ever-growing issue in our district between the “older” generation, long time members who want the status quo, and the “younger” members who want to see changes within Lionism and how we are serving our communities. I am honored to have been chosen as the first for this position.

It will be a challenge, and as it is starting without any guidelines or direction, I am in the beginning stages of defining what the role of this committee will be. I will be working with DG Joe and others as this program develops. Hopefully by the next Cabinet meeting I will be better able to provide clarification of this committee’s role in the success of the district.
