ALERT Report

8/16/2021

Governor Joe:

We actually had an ALERT meeting on July 31, 2021. Lion Clark Van Syoc from OH6 resigned and was replaced by IPDG Ric Houser. We only had 3 in attendance, Lion Ric, myself and Lion Bill Snyder (OH3). We actually had Lion Jeff Walker in attendance who is a former County EMA director and now volunteers for a church organization as a disaster. He is being listed as an assistant to this committee.

I believe this committee is finally on the right track. Lion Ric understands what Lions ALERT is really all about and we had a good discussion between the 3 of us. We sent out an email to the rest of the committee and we have elected the following officers for 2021-2022

Chair – Ric Houser

Vice Chair – Bill Snyder

Secretary – Jackie Miller

We are already working on updating the brochure that was originally developed by the previous ALERT Committee under Lion Mark Raifeld. We will be printing the brochures and disseminating them to each of the District's for distribution through the Zone Chairs to all the clubs throughout each District.

Nothing else was discussed at this time, but it seems that it will be a much better committee than it's been the past couple of years.

Respectfully submitted,

PDG Jackie Miller
