

Global Leadership Team (GLT)

Lion Steve Kaplan, GLT District Coordinator

August 21, 2021

Leadership Development is critical to the overall success of any organization, including Lions Clubs. The purpose of the Global Leadership Team (GLT) is to establish a viable, long-term approach to enhancing Lions Club's leadership pool, which provides a focus on the identification, education, development, motivation, and engagement of Lions leaders. The GLT has 3 major goals and every Lion in OH-5 can assist in promoting these objectives down to the club level.

1) Increase awareness of leadership development programs and resources

- a) Promote the Lion Learning Center- on-line courses on leadership, managing others, achieving results, and communication.
- b) Promote the Development Programs – institutes, forums, and webinars.
- c) Promote and utilize training materials – club officers, zone chairs, guiding Lions, cabinet secretary-treasurers, and vice governors.
- d) Promote Lions University

2) Identify potential leaders at all levels and encourage their development

All levels of Lions Clubs need to develop future leaders. This is true at the club, zone, district, and international levels. Once a potential leader is identified, he or she can be provided with additional information, training, mentoring, and motivation to advance. All Lions are encouraged to be on the lookout for potential leaders. Please forward their names, contact information and positions to Lion Steve at the email below.

3) Organize and facilitate club officer, and general Lion training within the district, as well as Guiding Lion and Zone Chair training.

- a) “Learn to Roar” is our district's club officer and general Lion training. The next school will be held on **Saturday, June 11, 2022 at the Der Dutchman in Plain City**. At this in-person school, you can pick-and-choose topics of interest. Please encourage all Lions to attend.
- b) Guiding Lions - There are only 15 active Guiding Lions in our district. There are also 7 Lions with expired certifications. They have been notified and encouraged to recertify. All zone chairs have also been encouraged to become certified.
