

**BEN DAWSON
DISTRICT 13 OH5 GST COORDINATOR
CABINET MEETING 8/21/2021
IREPORT DS8**

I am honored once again being selected in this position. Thank you District Governor Joe Jackson.

Our district had a 19% reporting rate for the start of the fiscal year. The multiple districts also averaged to 19%.

Hopefully this year we can continue in house meetings and outside services. It was definitely a trying time last year.

Zone chairs I would like to be invited to meetings and any individual clubs likewise. I am here to help in any reporting problems and help in obtaining services.

I have seen where some clubs are not showing activity, if I can be of any help in bringing these clubs forward, please let me know.

Need volunteers, partner with another club. There is strength in numbers. Sponsors need for Super Braxton 5k. If you know of any businesses or groups that might be willing, please let them know.

we serve!

During this time we ask all clubs to do a service activity especially during that week. I would love to surpass the other districts. Last year we were at around 30%, I would like to double that this year. At your Zone meetings and club meetings it would be great if you performed a simple service. Select someone in you club to devise such a service.

Thank you all again for being a wonderful serving group.
