

E-1 District Governor Report

In addition to the goals and activities regarding membership and club building, I have been fortunate to belong a great team to serve district clubs and communities.

Our team has completed a great District Directory, contacted clubs regarding IRS and state compliance, and applicable dues.

Zone chairs have plans to serve their clubs; clubs will decide on their service plans including Peace Poster, Peace Essay, LEO and Campus Clubs.

The District also has funds to use for public relations from an LCI grant submitted by COG members.

Let's plan to "Step Up To Service."!
