Report to the Governor – Ohio Lions Eye Research Foundation
August 18, 2021

Dear Governor Joe, the OH5 Cabinet and all OH5 Lions

During our most recent foundation meeting on July 31st we approved \$370,996 in eye research grants! These grants are going into research eye issues related to diabetes, age-related macular degeneration, and several other eye related issues. There is still at least one grant request still pending so expect this number to grow even higher!

These grants are being given in the name of Ohio Lions, doing what we do best – being the Knights of the Blind.

If you want to learn more or have a speaker at your club or zone meeting please contact me or Dr PDG Jeff Hatfield.
