RE: Zone 3 Report

DG Joe,

I want to thank you for allowing me to serve as Zone 3 Chair this year. I have dropped off directories and have been in contact with all Club officers. Some Clubs do not meet in the summer. All have had some struggles with Covid.

I have sent off a letter of greetings to the Clubs and have laid out goals for the year. I hear that each Club will be at least +1 in membership, all will be active in their communities and with the Zone. Currently, we are a -1 due to the death of Joe Berry from Marysville.

I have laid out my Zone 3 meeting schedule. All meetings will be held at Der Dutchman and begin at 6:30. They will be held on the following Thursdays: September 2, November 18, and February 3. I approximate the cost to be \$10 for dinner. You do not need to eat to attend. I hope to have interesting speakers and give essential information to my Clubs.

My plan is to visit each Club at least twice to help work on their project, give them tools to be successful, and help re-engage members.

Respectfully Submitted,

*PDG Jeff Hatfield*  
*Zone 3 Chair*
