Re: Sensory Garden

Although no report is required, I like to keep the Cabinet up to date on the garden. A reminder that the Garden always needs volunteers. I normally schedule Saturday work days but am open to suggestions for a Monday through Friday work. I suggested in my last report the idea of a group taking care of just one area. The monumental task of caring for the garden then becomes a small hill rather than a mountain.

Lions, Sorority groups, garden groups and OSSB staff are some suggestions.

I want to thank Tri Village and Columbus East Side Lions and staff from OSSB who helped with the major clean up earlier this year. It was a major undertaking. The Sensory Garden, like all gardens, needs on going work. Weeds do not take a vacation. Please contact me, when your Club is available.

Always keep in mind: We have pavers and rows of brick to be engraved in honor of or in memory of a fellow Lion. The cost of this legacy for pavers is only \$300 and a row of bricks \$150. The sale of the pavers and rows of brick help to maintain the garden –plants, weed control, deer repellent etc.

If interested in purchasing a row of bricks or a paver, send me an e-mail [eileenb2010@yahoo.com](mailto:eileenb2010@yahoo.com) or call me at 614-395-8591 Payments, however, should be sent to The Ohio Lions Foundation, PO Box 21016, Columbus, OH 43221 with Sensory Garden noted in the memo line

Not interested in purchasing a row of bricks or a paver, but would like to help with expenses, please send your donation to the Ohio Lions Foundation again noting that it is for the Sensory Garden.
