

OLPCF Report
August Cabinet Meeting

The OLPCF Committee awarded Nationwide Children's Hospital a \$25,000 grant. The recipient was Dr. Sunkel who working on a way to determine what type of cancer the child has and quicken the treatment and the chances of recovery. Each year, through the generosity of our Lions' donations, the Foundation hopes to award other Pediatric Cancer hospitals throughout Ohio grants each year.

Your donations also help supply gas cards for pediatric cancer families to get the child from home to treatments. While there are a limited number available. If your club hears about a needy family and is willing to sponsor them, please let me know and we'll work together to get them some relief.

I have a 2023-24 Footprint pin for sale. \$5 each.

Thank you again for your support.
