

Constitution and Bylaws Committee August 2023 OH5 Cabinet Report

The Constitution and Bylaws Committee (C&BL) met on July 13th by conference call with all voting members and 1 ad-Hoc members present. All other Lions were excused.

1. The online copies of the MD13 Constitution, and Bylaws will be updated with the approved changes at the International Convention in Boston.
2. The C&BL committee has pursued questions regarding selection and election of the Liaison Committee. The Liaison Committee has provided a “job description” which addresses the issues raised. These will be brought forward to the Council of Governors at a future date, for inclusion into the Policy Manual.
3. Council Chair Dave Stockum requested that New Voices programs be added to the Global Action Team as a subcommittee. This will likely be voted upon at the 2024 state convention.

Yours in Service,

Lion PDG Dave Luttrell

MD13 C&BL OH5 representative
