We especially want to thank the PDG Association for their kind donation.

Since our founding, we have provided financial aid to individuals in districts OH 1, OH 3, OH 5, OH 6 and OH 7. This consisted of six cataract surgery procedures, a series of child vision therapy sessions and low vision glasses for a woman.

We feel it is critical for a local MD 13 Lions Club to sponsor every aid application. This lets the club build their visibility and reputation in the local community, as well as Lions Clubs International.

Respectively submitted,

Robert E. Medley
