CABINET MEETING 11/13/2021 REPORT S8

Since 7/2021 19 clubs showing posting on MYLION During the Fall Into Service event only 6 clubs showed posting from 10 -17th of October With problems using MYLION website and app, wondering if that is to be reason for low numbers I am willing to assist any club in reporting The app I found is easy to use to report, but more people need signed in I am also willing to help anyone with app.

The Metrics in MYLION at present show 192 service acts 13850 Funds donated and 44831 Funds raised
