

Ohio School for the Blind

- There is no indication that the leadership of OSB is interested in sending their band to Boston for the 2023 International Convention
- I support renting a band in Boston
- We need to investigate a contract process for that even and review MD13 funding.

Club Issues:

- Marion Evening: in process to close
- West Milton: compliance issues

Peace Poster/Peace Essay

- No cooperation from OSB

RLLI

- 48 OH5 and Indiana Lions are registered
- Kudos to GLT PDG Jackie Miller

STEPS

- Highly successful: both donations and participants
- LEGOS collected for NCH in Columbus and Dayton Children's Hospitals

Respectfully,

DB Joe
