District OH-5 State & District Cabinet Members

Dear Governor Joe:

It is once again both an honor and privilege to be appointed as the District OH-5 LCIF Coordinator for this Lions Year 2021-2022

The State LCIF District Coordinators met with PDG Sue Haban, MD-13 State Coordinator, for its second LCIF meeting via a ZOOM and teleconference call on Monday, October 11, 2021.

Many issues were discussed to include our 2021-2022 individual goals as well as those goals that LCIF is asking each District to meet. Important to note once again that LCIF has reduced its individual Lion donation goal for a Model Club to \$500.00 over a three-year period.

It is also important to note as I have previously stated in my first quarter report, the Lions of District OH-5 have a history and tradition in its support of LCIF. Year and year out District OH-5 and its clubs have given LCIF a priority and made its upmost effort to give to LCIF.

This pandemic has proven to show its financial hardship to many of our clubs and Foundations. We can no longer expect the dollar percentage given as it has been in the past. LCIF must understand this status and be flexible in its financial demands.

The Lions of District OH-5 this previous past Lions year of 2020-2021, donated to LCIF over \$26,000.00. This amount was most appreciated and held at the top 3 tiers of pledges received in Multiple District 13.

I ask that our OH-5 clubs and Lions continue this support as we enter this final quarter of the Lions year.

This continues to be both a stressful yet concerning time for everyone during the COVID 19 pandemic. LCIF has been at the forefront in providing Disaster Grants and financial support during this period of concern. LCIF and the Lions of the world through **Campaign 100** has continued to reintroduce this new fundraising opportunity. Not since Campaign Sight First 11 has a fundraising event been instituted of this size and magnitude.

Constitutional Area 1-B, which Multiple District 13, Ohio and District OH-5 is situated, has been directed to reach or surpass its previous fundraising goal with the intent and direction to support **Campaign 100** in the Lions year ahead.

LCIF is currently asking that we in District OH-5 pledge for each Lion Club in good standing personally pledge \$100.00 and that each District OH-5 Lion pledge \$10.00 to this **Campaign 100** in this Lions year for an annual 3 year committed dollar fundraising goal of \$383,500.00 or \$115,833.55 per Lions year.

Although I believe this number a very high and an abstract goal, I do strongly believe that the Lions of District OH-5 are giving Lions and will continue to support LCIF and **Campaign 100**.

District OH-5 as of this writing has contributed \$5,950.00 to LCIF and **Campaign 100**. A total of 11 of the 50 District OH-5 Lions Clubs has supported LCIF and **Campaign 100**. This number reflects the generosity and kind giving by many of our OH-5 clubs. It should be noted that many of our clubs do not begin its

philanthropic distributions until December or year end. My hope and anticipation are that our OH-5 clubs will meet or surpass the previous Lions year LCIF donations.

It is my continued commitment to continue to ask for the support and assistance of both the District leadership as well as the Zone Chairs in support of LCIF and **Campaign 100**. I will continue to report throughout the remained of this Lions year both on a monthly and quarter basis our annual donations and will be in communication with each of our District Clubs and leaders as well as Club LCIF Coordinators in the promotion of the fundraising event especially during this period of COVID 19 and its concerns.

District OH-5 continues to strive to be at the upper tier donations level in the Multiple District in its financial support of LCIF and its purpose. We can and will meet our LCIF giving goal.

I personally am grateful for those clubs who support LCIF and ask for your continued kindness in giving as we go forward in **Campaign 100**.

Thank you very much.
