

Report F-4  
Report to the Governor – Ohio Lions Eye Research Foundation  
December 6, 2021

Dear Governor Joe, the OH5 Cabinet and all OH5 Lions

If you haven't been to the OLERF web site [<https://OLERF.org>] recently you are in for a pleasant surprise ...it has been updated for the first time in many years! Spend some time on the site, there is a wealth of information on what your foundation is doing. Two sections I recommend exploring:

- Videos
  - Nice professional videos to help you learn more of the work your foundation is doing – share them with others!
- Lions Resources
  - Awards are available for many of your donations. This is a chance to recognize your valuable members or other community leaders

If you want to learn more or have a speaker at your club or zone meeting please contact me or Dr PDG Jeff Hatfield.
