

*PDG Jackie Miller, District 13 OH5
S-2 Sight & Hearing Committee*

November 10, 2021

Governor Joe,

I was unable again, to attend the State Committee due to other obligations. I have not yet seen any reports from that meeting.

The Beechcroft Lions Club did some vision screening in October. I am still waiting on the report from them.

I haven't been able to get out and about and talk about Sight & Hearing but I would really like to be able to get to zone meetings and talk about Sight & Hearing.

Hopefully, I'll have more to report next time.

Yours in Lionism,

PDG Jackie Miller
