

## Zone 2 Report

### Cabinet Meeting 12-11-2021

Dear District Governor Jackson,

Current Zone 2 clubs' status as of 11-09-2021:

Zone 2 Club	Current Members	YTD Members Added	YTD Members Dropped
North Hampton	27	2	2
Northridge	35	0	0
Saint Paris	23	0	0
Springfield National Trail	11	0	0
Troy	23	0	0
West Milton	16	1	0

Only North Hampton and Troy have been keeping up with activities reports. The Zone Chair recommended at the November 15 meeting that a club may appoint a Club Administrator to help with reporting on My Lion.

The North Hampton Lions have been keeping active hosting their annual golf tournament.

The District Governor and Zone 2 Chair attended the Troy club meetings in September, October, and November. The Troy Lions club joined the Troy Optimists Club in distributing American flags for Labor Day and Veterans Day. The Troy Lions club participated in the Tipp City Mum Festival with an information booth and a bean bag toss game with participants wearing glasses that simulate various eye diseases. The Troy Lions club participated in the "Trunk or Treat" Halloween event, did a Chicken BBQ fund raiser, and did an information event at the Troy Library on collecting eyeglasses and hearing aids.

The West Milton Lions club has added a new member. They have sponsored a blood drive as well as purchasing glasses for a person in need.

This Zone Chair is glad to report that all the Lions clubs in Zone 2 are now compliant with the IRS and State Attorney General.

Respectfully submitted,

*Lion Doug*

Lion Douglas Beitzel, Zone 2 Chair
