On January 21, 2nd VDG Jason Gray and I attended the Dublin Club meeting. We gave them a demonstration of the testing equipment and discussed why preschool vision screenings were so important. The Dublin Club voted to add a vision screening to their annual March 16 St. Patrick's Day pancake breakfast fund raiser. I and two or three other district volunteers will conduct the screening.

Vision Assistance

We continue to get voice mail requests left on the State Office phone system for help with eye exams, eye glasses, vision readers and cataract surgery. For the 2017-2018 Lion year we received 33 requests for help. Year-to-date we have received 23 requests. All requests are referred to the closest club for follow up.

Ohio Lions Sight and Hearing Foundation

Two District OH 5 clubs donated to the foundation. Troy - \$250 and Arcanum - \$250. The Westerville club will present a donation of \$3,700 to foundation president, Lilane Fox, during her February 13th visit. After the Westerville donation is deposited, the foundation will have assets of \$16,918.95.

Respectfully submitted,

Robert Medley
