

## Zone 2 Report February 16, 2019

My last Zone 2 meeting will be held at North Hampton Lions Den on Thursday, February 21, 2019 at 6:00 pm. **Dinner will be at 6:30 p.m. R.S.V.P. no later than Friday, February 15, 2019.** **Please email me with your number of Lions coming for the dinner. My email is:** [sas51280@frontier.com.](mailto:sas51280@frontier.com)

I went to a meeting on Sunday, January 27, 2019 at Fletcher club. I was part of the group that went and helped give ideas to them because they are struggling for members and only a couple of lions are mostly doing everything. On March 23, 2019 the club is doing a Pancake Breakfast from 7:00am to noon at A.B. Graham in Fletcher. The Fletcher club is working on having a Membership night.

I did a visitation on Tuesday, February 12, 2019 at 6:30pm at the West Milton club. It was a good meeting with fun and fellowship. They are having a Membership night on March 26, 2019. Coming up the club will be doing the Bloodmobile on March 27, 2019. I passed out their chevron awards – 25 years to Lion Jerry Wahl and 45 years to Lion Robert Menker. Also Lion Robert Menker received the Centennial pin for bringing in a new member.

The Troy Lions Club is having a Membership night on April 10, 2019.

As I am making my visitations I am letting the clubs know about “Learn to Roar” Lions training on Saturday, June 15, 2019 at Der Dutchman Restaurant in Plain City.

I am in progress of making the rest of my visitations to the other clubs. It has been another very good year.

My Clubs are: Fletcher, North Hampton, Northridge, Springfield National Trail, St. Paris, Troy, and West Milton.

**Yours in Lionism**
