Fellow Lions:

The International Convention Committee met on Saturday, February 8, 2020 at the Ohio School for the Blind with five of seven members present.

It was a most productive meeting with the focus on the 2020 International Convention in Singapore this Summer. Slow registration so far and the Mid-West Breakfast in Singapore will be expensive but our Committee will pay most of the costs with the attendee picking up a small portion of the event.

Since we do not have an Ohio Band we did authorize Lion MDS Debbie to contract with a local band to lead the Ohio delegation in the parade.

A "SPECIAL" event for Ohio Lion attendees will also be scheduled.

Ohio Lion Back-packs are still available at a "REDUCED" cost of \$5.00 and the 2020 Ohio State pins are available at \$2.00 each.
