

# Ohio Lions Sight & Hearing Foundation

The Ohio Lions Sight and Hearing Foundation is alive and well and working with MD13 Lions to provide advanced sight conservation procedures to individuals with no health insurance or who cannot afford their insurance co-payments or deductibles.

The following data are as of 01/31/23:

- We received donations of \$3,039.
- We have operating assets of \$15,843.
- We do not have any open cases. There is one open bill for the hospital from the 2022 case.

We feel it is critical for a local MD 13 Lions Club to sponsor every aid application. This lets the club build their visibility and reputation in the local community, as well as Lions Clubs International.
