

OH5 Past District Governors Association

October 2019

Governor Jackie Miller,

The second meeting of the OH5 PDG Association will be held October 28 at the Pilot Dogs' facility. We will be discussing and re-voting on a 50/50 raffle to make additional funds for our MJF awards and for DGe "Partner-in-Service" International Convention expenses. It was pointed out after our last meeting minutes were published that there was not a quorum present at the Prospect picnic meeting.
