

OHIO LIONS FOUNDATION

NOVEMBER 2020

This is a cumulative report since July 1, 2020.

Luckily, we have had only two disaster in Ohio with only one being in OH5 requesting assistance this Lions' year. A family in West Milton lost all their possessions in a house fire. They only requested \$500 to replace some household items and some clothing. Luckily, they have found a new residence to rent and there was no loss of life in this fire. Unfortunately, the second request was for a house fire in North Royalton and there was one fatality in this fire. Again, the request was for \$500 to replace some personal possessions.

We provided a Helen Keller scholarship in the amount of \$3000 to Cleveland State University.

We also provided eleven (11) iPads to OSSB for use in a class on technology. These were provided free of charge to the school.

GOAL STATUS:

1. Disaster Relief: \$1000 in Walmart Gift Cards provided
2. Helen Keller Scholarship: \$3000 to Cleveland State University
