Report # MD15

RE: Liaison Committee Report November 9, 2020

District Governor Jason,

The Liaison Committee is composed of three members. They are PDG Butch Strawn, PDG Jeff Hatfield and PDG Rob Murry. Our responsibilities are to work the district conventions, host a breakfast at the USA/Canada forum and serve on the nomination committee for an endorsed International Director candidate at the International convention. We will be having an election this Lion's year for a candidate for ID. Currently we have one application. Our committee did meet on September 12th in Cambridge. We received and discussed the time frames and process of electing a candidate, as well as the job description for the campaign chairperson for that candidate. Further we reviewed questions posed at our last interview to see if they needed updated. The deadlines are as follows:

- 1) November 7th, 2020-all qualified candidates must have their letter of intent, along with their club endorsement sent to committee chair PDG Butch Strawn.
- 2) December 12th, 2020-meet with candidates, spouses and campaign chairs.

Respectfully submitted,

PDG Jeff Hatfield
