

Global Leadership Team (GLT)

Lion Steve Kaplan, State GLT Coordinator

November 9, 2020

Leadership Development is critical to the overall success of any organization, including Lions Clubs. The purpose of the Global Leadership Team (GLT) is to establish a viable, long-term approach to enhancing Lions Club's leadership pool, using a proven structure, which provides a focus on the identification, education, development, motivation, and engagement of Lions leaders. The GLT has 3 major goals and every Lion in OH-5 can assist in promoting these objectives down to the club level.

1) Increase awareness of leadership development programs and resources

Promote the Lions Leadership Resource Center including: a) Lion Learning Center - courses on officer responsibilities, conflict resolution, team building, etc. b) Development Programs – institutes, forums, and webinars. c) Training materials – club officers, zone chairs, and vice governors. d) Lions University.

2) Identify potential leaders at all levels and encourage their development

All levels of Lions Clubs need to develop future leaders. This is true at the club, zone, district, and international levels. Once a potential leader is identified, he or she can be provided with additional information, training, mentoring, and motivation to advance. All Lions are encouraged to be on the lookout for potential leaders and to turn their names into the GLT. Please forward names, contact information and positions to the GLT. You may use the district website portal located under "resources" or contact Lion Steve at the email address below.

3) Organize & facilitate club officer and general Lion training within the district

"Learn to Roar" is our district's club officer and general Lion training. The next school will be held on **Saturday, June 12, 2021 at the Der Dutchman in Plain City**. Please mark this date on your calendar and encourage all Lions to attend and learn some new Lions information.
