

*PDG Jackie Miller, GLT District Coordinator*

November 8, 2023

District Governor Mike,

**Learn to Roar** is being planned for **June 8, 2024**. I'm reaching out to Tolles to make sure we get the new contract signed and are ready to go. I'll be reaching out to our presenters to make sure we get our programs set up and ready to go for the leadership training.

We had great District pizza party training sessions on 9/14 and 10/9 for those who didn't make last year's Learn to Roar training and everyone in attendance had great praises for the training. This is something we definitely need to continue doing in the years ahead!

Met with the PDG Association in June and they felt all PDG's should be Guiding Lions. There will be a Guiding Lions training at the Winter Retreat. But I still feel there is no sense in training new Guiding Lions if we are not going to put them to work. They need to be able to utilize the skills they are learning. We need to continue to utilize the PDG's for their expertise, assistance, and help.

**Zone Chair Training** is scheduled for **Saturday, June 15, 2024** at the Ohio Lions State Office from 1-5 pm.

I've attended most Zone Meetings this year so far and look forward to attending all that are scheduled. I'm available to any club who needs my assistance and needs any training for their clubs. We are here and available to help them in any way.

Nothing new yet on the Lions Portal, we're still waiting. But we'll definitely be there to help all Lions once LCI says it's ready.

Yours in Lionism,

*PDG Jackie*
