Chairperson IPDG Deb welcomed everyone attending and presented to the committee once again a brief overview of her purpose, goals and direction to this committee for this current and remaining Lions year.

Following her brief presentation, a brief discussion regarding LCIF reports provided online by LCIF and Lora Snow was presented. A brief overview regarding the “LCIF Drilldown DASBOARD Report by District was presented to the Coordinators by Chairperson PDG Deb.

Additional discussion and overview of the LCIF Grants provided to the districts to affirm that the districts are addressing those available Grants and taking the necessary actions to utilize these grants accordingly.

Overview of MJF raffles at District Conventions this Lions year was reviewed. Anticipation is that these raffles will continue both at many of the district conventions as well as the State convention in May 2024. These raffles had positive results and effects and the concentration of having them present again is priority.

Chairperson PDG Deb deferred to PDG Chase Winegar in reference to the “Jeopardy Questions” to include its format. PDG Chase provided an overview of the program to include the request to build a library of jeopardy questions. PDG Deb requested that each LCIF District Coordinator provide five (5) jeopardy questions related to LCIF.

Detailed review of the LCIF Ornament Fundraising Project was conducted by Chairperson PDG Deb. Areas reviewed were as follows:

1. Project Timing
2. Initial Order Distribution Amounts
3. Selling Prices & Sales Tax inclusion
4. Out of State/Country orders
5. Remittance of sales cash and checks
6. Record Keeping
7. Sales locations-Events where items can be marketed.
8. Video Production & Marketing

Wendell August Company will be the manufacturer of these orders and will provide samples of these ornaments for distribution. The current cost for each item is \$18.00 per item for the hand forged aluminum ornament and \$23.00 per item for the bronze ornament. Net proceeds to MD-13 per item after expenses will be \$12.00 for the hand forged ornament and \$11.75 for the bronze ornament.

Important to note that Wendell August will provide an online order portal on its website and will provide MD-13, a snapshot report of distribution requests and orders.

Current order recommendations are as follows: 750 items for the hand forged aluminum and 250 for the bronze ornament for a total of 1,000 ornaments for order.

Chairperson PDG Deb explained in detail the process under which she requested authorization for undertaking this Fundraiser through Multiple District 13 to include requested proper format procedure. Chairperson PDG Deb was advised to firstly inform the current Council Chairman CC Dave as well as providing Finance & Long-Range Planning a detailed analysis of this project. Chairperson PDG Deb has been working closely with CC Dave Stockum in keeping him advised and informed of both the financial and inner workings of the fundraising project. The intent of this was to both ensure continuity and an open dialogue with the current District

Governors and COG. F&LRP affirmed its understanding and approval of this fundraising project understanding that no Multiple District funding would be involved and that the "Promotions Fund" would only be utilized as "pass through" accounting purposes.

PCC Kevin Reidy was present for this meeting. Chairperson PDG Deb requested that PCC Kevin say a few words on behalf of this LCIF Ornament project. PCC Kevin summarized his support and efforts in assisting Chairperson PDG Deb with this project. In addition, he affirmed what a great opportunity this project is not only to provide financial support for LCIF but in the promotion of the Ohio Lions and its strong support of LCIF and its purpose.

Chairperson PDG Deb suggested that each District Coordinator request as many of these ornaments for distribution that they are comfortable with distributing. No established set amount per item or pressure sales will be present.

District Coordinator PDG Barbara Plaughter suggested the possible concern of "over order" or excessive ornaments not distributed. Chairperson PDG Deb affirmed that this likely will not be the case and that interest in these ornaments will be high and care regarding over inventory will not be an issue.

Key to this project is that the proceeds of the distribution of these ornaments will be determined as DONATIONS and not a sales price designation.

Chairperson PDG Deb has currently reached out to PIP Brian Sheehan regarding the assistance in the promotion of these items and fundraising project by the Ohio Lions to include Video production. Continued communication with PIP Brian Sheehan will be ongoing with the hope and anticipation of production and marketing of this video.

Item of importance to note is that ID Ron Keller is to take a grouping of these ornaments to the next scheduled LCI Board meeting in Africa. The intent is to

both showcase these ornaments and promote both the Ohio Lions and this fundraising project.

. A brief discussion regarding the issue of receipt of MJF and PMJF awards from LCIF to clubs. Clearly, delays continue to be a concerning factor. Not sure if this issue is on the supplier side or staffing by LCIF? It currently appears that progress in distribution and receipt of MJF and PMJF by LCIF is now happening and positive turnover time is present.

Questions often come forward by Lions or clubs to include whom to donate check payable to and where to send a donation. This information is something the Club LCIF Coordinator can assist with. Placing the memo line on each check to LCIF designating the requested fund applied is important.

District Coordinator Lion Greg informed the committee regarding the distribution of the special LCIF pins to Lions that make specific dollar donations. These pins do not have an automatic distribution process and must be applied for through the LCIF donations department.

Additional discussion surrounded any questions that the LCIF DC may have were presented by Chairperson PDG Deb.

A brief discussion by Chairperson PDG Deb regarding both Multiple District and District LCIF fundraising activities that can take place both throughout the Lions year and at each individual District convention was presented.

Chairperson PDG Deb thanked each of the District Coordinators for their service and commitment to LCIF. Chairperson PDG Deb reaffirmed her commitment and service to both this committee and to LCIF and looked forward to working together as we dedicate ourselves to the success of LCIF.

Next scheduled MD LCIF monthly meeting will be October 1, 2023, via Zoom format at 7:30pm.

Meeting adjourned at **8:31pm**.

Respectfully submitted,

PCC David Risen
Committee Secretary
MD-13 LCIF State Committee
