RE: Liaison Committee

PDG Jeff Hatfield
22757 Pelomar Lane
Marysville, OH 43040

Dear District Governor Mike and OH-5 Cabinet,

I am currently the chairman of the Liaison Committee. This committee is a three member group which serves the state through performing three duties. These are to work district conventions, oftentimes introduce keynote speakers, hosting a breakfast at the USA/Canada Forum. We also are at-large on the committee who will work for International Director Candidates who are running.

We had two of our three committee members attend the USA/Canada Forum in Reno, NV in September. All international officers were present and each district was represented as well as the speaker's spouses or significant others. It was a nice event. The food was great and the fellowship was wonderful! This year we have two Past International President's coming in for our District Conventions. The International Director who will be at our District Convention will be PID Bruce Beck from Palisade, MN.

Respectfully submitted,

PDG Jeff Hatfield
