Dear Governor Toni, the OH5 Cabinet and all OH5 Lions

Once a quarter, the Kroger Community Rewards program donates to our district eye care fund. The amount of the donation is based on the amount of money spent at Kroger stores by people with their Kroger card linked to our eye care fund.

If you would like to participate, login to your Kroger digital account and link the community rewards program “OH5 EYECARE FUND (HJ813)” to your Kroger card.

Respectfully submitted,
